The King’s School invites you to join the knot.
Good schools will devote themselves not just to the task of preparing a boy for his HSC exams. A good school will devote itself to preparing a boy for life.

Dr Tim Hawkes, Headmaster, The King’s School
Welcome to The Knot

A warm invitation is extended to you to become a member of The Knot.

The Knot is a special group of friends of The King’s School who have named the School as a beneficiary in their Will. There are people who delight in making the world a better place by enriching the education of children. The Knot ties together such people. The valentine knot that adorns the crest of The King’s School, is a symbol of love and unity, concepts that are central to the mission of The Knot.

We understand that everyone’s circumstances are different and many of our supporters will, quite rightly, want to provide for their family in their Will. All gifts are appreciated, no matter the size of the bequest and will benefit the School.

Just as members of The Knot have sought to honour the School by naming it as a beneficiary in their Will, the School wishes to honour members of The Knot by including them in the School’s VIP list which gives complimentary access to a range of benefits and events. Members of The Knot are also eligible for membership of The King’s School Foundation at the following levels.

The King’s School Foundation reserves the right to amend these figures in the future.

Other means of recognition are available to The Council of The King’s School to honour significant benefactions including naming scholarships and buildings after benefactors. Having noted these benefits, the ultimate satisfaction for most donors has been their joy in being able to enrich the education of children.

Supporters are invited to join The Knot once they have provided written confirmation of their intention to make a bequest to the School.

The King's School needs friends with whom it can partner as it seeks to transform lives through education by:

- Providing scholarships and bursaries to deserving boys who could not attend the School without financial support.
- Upgrading its educational facilities, including buildings, to ensure that no educational objective is frustrated by a lack of an appropriate educational environment.

Making a bequest to The King's School Foundation

The making of a bequest to The King's School Foundation can be done quite simply by making an amendment to your Will. Proper legal advice should be sought to action this initiative. However, The King’s School is happy to guide and assist, as requested.

There are various ways by which a bequest can be made including:

1. **A FIXED SUM OF MONEY OR INCOME FROM YOUR ESTATE**
   That is the simplest form of bequest but it has the disadvantage of not making allowance for inflation or any change in your circumstances.

2. **A FIXED PERCENTAGE OF YOUR ESTATE**

3. **LEGACY OF CASH**

4. **THE RESIDUE**
   Having decided upon the personal beneficiaries of your estate, the residue may then be left as a bequest to The King’s School Foundation.

5. **A SPECIFIED ASSET**
   Shares, real estate, bonds, life assurance policies or works of art, collections, furniture or personal effects such as jewellery. Unrestricted bequests to The King’s School Foundation Trust Fund, in the long term do the most good. Here they add to the corpus of invested funds. As the corpus grows in value so the Foundation will generate more income from the investments to help the School. Bequests for a specific purpose are always welcome, of course.

Please help The King’s School to fulfil its mission of being a Christian community that seeks to make an outstanding impact for the good of society through its students, and by the quality of its teaching and leadership in education.
