THE KING'S SCHOOL
TRANSFORMING LIVES THROUGH EDUCATION
The great traditions of this old school should help all of you in doing your part towards developing your country and facing its problems, and they should encourage you to give a lead where you can.

Sir Ian Clunies-Ross, Speech Day 1957
WE CAN TRANSFORM LIVES THROUGH EDUCATION

One of the most significant things we can do to make the world a better place is to invest in the lives of the young. There is profound satisfaction in knowing that one has enriched the life of another by providing a quality education to a young person. This booklet invites you to change young lives at The King’s School. Several ways are suggested:

- Giving to enable a boy to attend the School.
- Giving to provide educational resources and facilities.

I invite you to transform lives through an investment in education at The King’s School.

Roger Davis
President
The King’s School Foundation

Enabling

King’s is an extraordinary school. It is able to take an average student and turn him into a good student. It can take a good student and turn him into an excellent student. It can take an excellent student and turn him into an exceptional student. What makes King’s so special is not only the quality of its academic program and its extraordinary history, but the attention it gives to the development of values, character and leadership skills. Tragically, there are many wonderful young men who would thrive at King’s but whose parents may not have the means for them to attend Australia’s oldest independent school. This is why scholarship and bursary funds have been established. We need your help to raise significant funds to offer:

For the academically able student who is capable of achieving excellent HSC results.
For the ‘all-rounder’ who can contribute not just academically, but also in terms of leadership, sport and the performing arts. Bursaries are means tested.

Donations $2 and over to The King’s School Foundation Scholarships, Bursaries and Prizes Fund are tax deductible. Donations to The King’s School Foundation Awards Fund to Support Descendants of Old Boys are not tax deductible.

Improving

IMPROVING EDUCATIONAL FACILITIES

The King’s School relies significantly on financial gifts to build its educational facilities. Fees characteristically cover the running cost of the School but do not provide the funds necessary to build the facilities needed to educate a student well. There are real needs within the School including:

- Remodelling the boarding and day houses
- Building a new Science Centre
- Building a Visual Arts Department
- Upgrading the Music Centre
- Upgrading the Industrial Arts facilities
- Upgrading the Rowing facilities
- Building extra classrooms
- Upgrading the Health Centre
- Providing canteen and amenities at the Massie Field
- Building extra classrooms
- Upgrading the Health Centre
- Providing canteen and amenities at the Massie Field

These projects represent a huge challenge and will require the ongoing generosity of friends of the School. Just as current students enjoy facilities given by past benefactions, it is now our turn.

In approved cases, the School Council may choose to honour its major benefactors by naming buildings, or part of buildings, after them. Donations $2 and over to The King’s School Foundation Building Fund are tax deductible.
Supporting

CONTRIBUTING TO OUR LIBRARY RESOURCES
Contributions towards The King’s School Robert Lloyd Memorial Public Library Fund provide assistance towards the purchase of books, audio-visual equipment and computers in the Senior School Learning and Leadership Centre. The King’s School Preparatory School Public Library Fund enables contributors to provide for similar resources in the Prep School Library.

SUPPORTING THE LEADERS OF TOMORROW THROUGH THE EDUCATIONAL TRUST FUND
The Foundation aims to generate a large capital fund which will give the School a strong and permanent financial base. Whilst the capital in this Fund will be held intact, the revenue generated will be used by the School to:

- Moderate fee rises
- Augment the general scholarship program
- Develop educational programs
- Assist the professional development of staff
- Encourage the development of art, drama and music
- Improve sport
- Assist in the acquisition of educational equipment
- Employ specialist teaching staff
- Enhance the Town and Country Support Fund

Those who wish to provide a scholarship or means tested bursary restricted to the descendant of an old boy may do so through the Awards Fund to Support Descendants of Old Boys, a specific sub fund administered through the Educational Trust Fund.

Donations $2 and over to TKS Robert Lloyd Memorial Public Library Fund and The Council of TKS Preparatory School Public Library Fund are tax deductible.

Donations to The King’s School Educational Trust Fund are not tax deductible, however, this is an attractive option for those considering making a bequest. Donations to The King’s School Foundation Awards Fund to Support Descendants of Old Boys are not tax deductible.

Giving

HOW DO I MAKE A GIFT TO THE SCHOOL?
You can support in one or more of the following ways by making a financial gift to:

- TKS Foundation Scholarships, Bursaries and Prizes Fund
- TKS Foundation Building Fund
- TKS Robert Lloyd Memorial Public Library Fund
- TKS Preparatory School Public Library Fund
- TKS Foundation Educational Trust Fund
- TKS Foundation Awards Fund to Support the Descendants of Old Boys

Establishing your own charitable trust that names The King’s School as a beneficiary. Establishing a charitable trust has many benefits including:

- Being able to perpetuate the memory of a deceased relative or friend or being able to commemorate a significant achievement by naming the trust accordingly.
- Having the ability to increase the size of the trust over the years.
- Enjoying 100% tax deductibility.
- Monies from the trust can be used for scholarships and bursaries or for upgrading the School’s educational facilities.

Leaving a bequest in your Will is a marvellous way to give if circumstances prevent an immediate ability to give financially. We would ask that you give serious consideration to this option. Such a gift can perpetuate the memory of a loved one. You may choose to leave a fixed percentage of your estate, a fixed sum (although this does not allow for inflation), specific assets or the residue after allowing for other beneficiaries. Supporters are invited to join The Knot our Bequest Society once they have provided written confirmation of their intention to make a bequest, regardless of the size of the legacy. Members will be included on the School’s VIP list and gain complimentary access to a range of special benefits and events. The Knot Bequest Society seeks to strengthen bonds and build friendships amongst those who seek to make a lasting contribution to The King’s School.
Honouring

ACTION TO PROCEED
Thank you for your interest in The King’s School and for taking action to transform lives through education. Your commitment to support the School is greatly appreciated and will make a difference. Each of the Funds will have tax and legal implications and therefore must be considered with your advisors. Alternatively, the Foundation can provide you with an advisor. Naturally, you will need to satisfy yourself as to the appropriateness of such advice as the School and Foundation take no responsibility.

BECOMING A MEMBER OF THE KING’S SCHOOL FOUNDATION
Friends of The King’s School are eligible for membership of The King’s School Foundation if they contribute in cash or property to the value of at least $1,000. Those who give significant gifts to the Foundation are eligible for the following levels of recognition:
