From The Headmaster

I am delighted that you are considering a place at The King's School and are pursuing a scholarship or bursary. Whether successful or not, I hope that you might consider King's as a place to educate your son. We are blessed with extraordinary grounds, a unique history and a wonderful community of teachers who enjoy releasing the potential of their students.

To properly care for a young man and to get him to develop a sense of wonder requires teachers who can inspire a boy to give of his best, who can disturb him with new possibilities and who are not limited to the attraction of mediocrity.

We enjoy our teaching at King's and we enjoy our students. Their energy and dreams fuel our sense of privilege in being able to walk with them in their formative years. Many of these students have been part of the School's extensive Scholarships or Bursaries program. I hope I may have the opportunity to meet with you should you decide to register for and attend our Scholarship days.

Dr Tim Hawkes
Headmaster

Scholarships and Bursaries at The King's School

As Australia's oldest Independent School, The King's School has a well-endowed Scholarship and Bursary program.

- **Academic and Leadership Scholarships** are offered primarily to Year 7 entrants and are dependent on high-range academic results and demonstrated leadership potential in creative and performing arts, sport and the community.
- **Bursaries** are usually awarded to country applicants for boarding places, and are means tested.
- **Leadership** is an important aspect of the Scholarship and Bursary program at The King's School. Short-listed applicants must indicate ability to contribute to the co-curricular program of the School.

To apply for a Scholarship or Bursary to attend The King's School in 2013

Register on-line through the School website www.kings.edu.au
All applicants are required to sit the scholarship test to be held at The King's School. Candidates will be advised of their test results in writing.
