Life can have a peculiar way of presenting the unexpected. This time last year, I would never have imagined that I’d be back working amongst the King’s Prep community again. Having worked at King’s for 13 years in a variety of roles, seven as Deputy Head of the Prep, I ventured with my family of then three teenage children to fulfil a long held dream to work in international education. I was fortunate to lead the Primary School at the Australian International School in Singapore and later, the Elementary School which comprised 1600 students from Preschool to Year 5. Five years later, I return to the King’s community, and it feels like a wonderful homecoming.

You’ll find that I mention the word community frequently when referring to The King’s School. One of the aspects that has made this school so distinctive and treasured for me has been the strong commitment and bond that exists between the school and its families in working together to achieve the best outcomes for the boys.

I welcome all our returning families to King’s Prep for 2013 and extend a warm welcome to our new families who are joining this special community. It is my hope and my mission that your sons may enjoy their primary schooling years, broaden their experiences, be empowered through academic stimulation and challenge, develop a character of fine standing and thrive throughout their time at the Prep.

Already, the classrooms, corridors and playing fields are radiating with the energy and enthusiasm of the boys as they renew or forge friendships and begin their 2013 learning journey.

Clear communication between home and school is central to achieving this purpose. The Prep newsletter and King’s Herald are the two main communication mediums used to communicate between home and school, and I encourage you all to make reading through its pages a regular part of your week.

As well as welcoming our new students we welcome our new staff who have joined the Prep School this year.

Greg Blackman joins the Prep as the Deputy Head and my right hand man. We are fortunate to have Greg’s extensive teaching and leadership experience in education. Greg has held a number of leadership positions throughout his career including Year Co-ordinator and Senior Master at Barker College and Knox Grammar School. For the past three years Greg has been the Head of the Junior School and Deputy Principal (Administration K-12) of Macquarie Anglican Grammar School having oversight over areas such as curriculum, administration, budgetary and welfare responsibilities. His strong pastoral ways and vast experience in boys’ education will be greatly valued at the Prep.

Tim Leuenberger will be teaching One Yellow this year. Tim has been teaching for the past two years at St Pius X College at Chatswood. He brings great skill and passion in the area of ICT with expertise in videography, animation and photography, alongside his keen interest in sport. Tim has been involved in leading the children’s ministry at his local church for a number of years and involved in outreach programmes with indigenous communities and with groups in Vanuatu.

Sonia Weston will be teaching a Year Five class. Sonia has experience teaching children from infants to high school level. She has held leadership roles in ICT and Gifted and Talented education, co-ordinating a programme known as PACED, an academic enrichment day for around 500 gifted and talented students across Sydney. Alongside her expertise in these two areas, Sonia has a particular interest in the area of literacy development.

David Guild has joined the Year Six team this year. David is an enthusiastic educator who has spent much of his career within the catholic school system. Alongside his extensive classroom experience, David has held a number of different curriculum and sports leadership roles at school and regional level. David has a great passion for e-learning, mathematics and gifted and talented education.

THOUGHT FOR THE WEEK: “Strive to be first; first to nod, first to smile, first to compliment and first to forgive.” Author unknown
Ann Wilkins will be taking on the role of Visual Arts teacher for the Prep School. Ann’s career spans across single sex boys’ and girls’ schools as well as co-educational settings. Most recently, Ann has been the K-6 Visual Arts teacher at Tara Anglican School for Girls. Ann brings a wealth of experience and a great passion for this creative area of study.

Shelley McMorran has joined the Prep School as the K-6 Teacher - Librarian. Originally from New Zealand, Shelley has held teacher-librarian roles in a number of schools in New Zealand and different states of Australia. Shelley has a great understanding of the PYP curriculum, recently working at The Friends’ School, a highly respected PYP school in Tasmania. Shelley enjoys sharing her great love of literature with the students as well as working collaboratively with the teaching staff in fostering and supporting inquiry and developing multi-literacies.

Karen Lavender will be supporting Shelley within the Library as the part time Library Clerical Assistant. Karen is well known to the Prep community, having taken on a number of relieving assistant roles over the years.

Josephine Parry will be joining the Prep School staff in a Teacher Assistant role, working with the staff and students within the K-2 area. Josephine comes to us with previous experience working within schools as a Teacher Assistant.

Welcome to New Parents Dinner
– Friday 15th February 2013
Our new parents are able to sample a taste of the Prep community by joining the Fathers’ Association Committee and teaching staff at a welcome dinner. This is a great way for new parents to learn more about the school, its operation and key events that occur throughout the year, as well as connect with other new parents. The evening is held in a lovely setting on the King’s School site in the Trophy Room (located at Senior School). I hope all our new parents will be able to join us on Friday February 15th at 6:30pm.

Information Evening for Parents
– Wednesday 6th February 7:30pm- Horrocks Hall
The Information Evening for Parents provides an important opportunity to find out about the curriculum directions within the Prep School, while exploring more specific details about curriculum programmes and welfare matters within year levels. The evening will begin in Horrocks Hall at 7:30pm for some general words of introduction and then parents will move to their son’s classroom location to meet with the classroom teacher.

Fathers’ Association AGM
– Monday 11th February 7:30pm – Horrocks Hall
Gents, don’t miss this outstanding opportunity to socialise with other Prep dads over some pizza and drinks, whilst finding out a bit about what the Fathers’ Association has done in the past and plans to do this year and beyond! Every Prep father is automatically a member - so come and enjoy the company of your fellow members. All fathers should receive an invitation to the evening from the incoming FA President, Aaron Malouf, and me outlining what the Fathers’ Association does and why we think it is so valuable. I look forward to meeting many of our Prep School dads on Monday, 11th February.
Welcome
I would like to welcome all boys and their families to 2013. I also want to extend a special welcome to all those who are new to King’s. King’s Prep is a special place and I look forward to working with all of the boys and their families. The newsletter each fortnight provides me with an opportunity to provide important information to parents about some of the School policies and procedures, as well as important events that will be occurring in the near future.

Individual Database Photographs
On Wednesday, 6th February, all boys will have their photograph taken for our School database. Boys in Years 3-6 will be required to wear a white shirt on this day.

Student Attendance
An important legal requirement of all schools is to maintain accurate attendance records. The recording system and processes at The King’s School Preparatory School allow us to know when boys are at School or not and assists us in ensuring the safety of all boys. The School records the daily attendance of all students at the start of every day and is completed by their home class teachers at 8:25 am. To ensure we are able to account for every boy, we require the parents of children who will be absent, to call the Prep Administration Office (9683 8444) by 8:30 am. From 8:50 am, the office administration assistants begin contacting parents of any child who is absent and the School has not been notified.

A separate signed note should be provided, to your class teacher, explaining any absence. Reasons for absences are recorded on the database system.

Monitoring student absences - Parents are kept informed of the attendance records of their sons through the school reports. Each semester a written report is given to the parents of each boy and the number of days absent is recorded on this document.

Late arrival procedure - The school maintains records on late arrival at school. If students arrive after the 8:25 am bell, they must report to the Prep Administration Office, where their name and reason for lateness is registered on the database. There are times where nothing goes to plan in the morning, the wheels fall off and no matter how hard you try, arriving at school on time just won’t happen! However, when a pattern of late arrivals is set, it is extremely disruptive for the teachers, boys and administration staff. Teachers have to retrace their steps with regard to instructions, other class members are distracted by the interruptions, and administrative staff are unnecessarily diverted from other important tasks. Constant lateness can also be stressful for the boy concerned and does not set a good example for being principled and reliable in the future. It is important for the boys to arrive at school in plenty of time to ensure they are at class for roll call at 8:25 am. The school will send out a reminder letter to families who consistently drop students off after 8:25 am. If lateness persists on a regular basis, a meeting will be arranged with the school to jointly solve the problem.
Emergency Evacuation Procedure
Evacuation is signalled in any situation where the Head of the Prep School or his nominee deems it necessary for the Prep School community to evacuate the buildings
1. The “Signal” will be a continuous bell
2. The “All Clear” will be the school bell ceasing to sound
3. Evacuate to Price 3 and 4, with Year 6 lining up closest to The Stables
4. Classes to follow the evacuation map in their rooms
5. All doors left unlocked
6. Class rolls carried by teachers / Master roll by Director of Learning / First aid kit and EpiPen by nurse
7. Specialist teachers take their class rolls / Director of Music takes instrument tuition timetable
8. Any withdrawal-from-class specialists take their own students to the evacuation area
9. Teachers should lead the students in a calm and orderly manner
10. Students working alone should evacuate immediately and join up with their classes in the evacuation area
11. Parents should accompany classes they are supporting at the time or follow the evacuation map
12. Deputy Head will check all classes and sound the all clear

January, 2013

Emergency Lock-down Procedure
Lock-down is signalled in any situation where the Head of the Prep School or his nominee deems it necessary for the Prep School community to remain inside and ‘locked down’
1. The “Signal” will be an intermittent continuous bell
2. The “All Clear” will be the school bell ceasing to sound
3. During ordinary class times stay in classroom or move to the nearest secure location
4. Before school, recess, lunch time or after school move to Horrocks Hall, unless already in secure location
5. Supervising staff take control and assess the situation
6. Stay inside and keep students/others inside
7. Close and lock windows and doors, pull down blinds and turn off lights
8. Sit (on floor if necessary) - don’t remain standing
9. In severe storms, move away from windows
10. In other situations, move into a position away from those looking in
11. Keep those under your control calm, even if you do not know what is happening
12. Head of the Prep School will attempt to let you know what is happening via email or direct contact
13. Emergency evacuation may override a lockdown situation

January, 2013
A very warm welcome to our boys and families as we launch into 2013. We welcome the year of 2025 to Kindergarten. Imagine if you can, the changes that our young boys will experience as they journey through Prep. Imagine the kinds of learning experiences that will unfold for them as they enter secondary and tertiary education; it is really hard to know what kind of workplace they will eventually be part of. The ‘constant’ will be the development of character, of values and of relationships. This we do well at King’s.

I welcome our newcomers and our returning families to this amazing community. I encourage you all to share good spirit, grace and generosity of time. The year will fly by as quickly as it did last year and we will ask ourselves what happened to 2013. Let’s hope we can say it was a year of growth, of wonder, of good health, and of peace.

Class(y) Mums
We have been blessed over the years by the energy, kindness and community spirit of our Class Mums. Ideally we will have 2 mums per class as parent representatives for organisation of casual social gatherings, development of rosters for food etc for families in times of need, conduits for information such as new babies, bereavements etc. I am happy to receive self-nominations from mums who can see themselves helping out in this way. If you are not sure of the role, please give me a call. Please email me if you are interested in being a Class Mum.

Bringing Toys to School
The policy in Infants is that the boys may bring a ball, a matchbox car that fits into a pocket and jacks when they are in season. As a general guide, collectables are not to be brought to school such as collector cards, skylanders, tazos etc. These create situations with questions of ownership that we do not need to deal with. For news days and birthdays, items of interest or toys are left safely in the classroom at break times. We have some great equipment in the Toy Garage that the boys can play with at break times. Incidentally if families have any good trucks, little cars, balls, sand play equipment etc that is not needed at home any more, we would love to use it here.

Pick Up Arrangements
We expect a few teething problems with this until the boys and parents are familiar with the routine. Name tags should be displayed on the passenger visor for fast recognition of vehicles. Parents may not realise that their faces are often obscured behind the car window. We may see a waving hand but little else! It is also critical that Year One parents do not enter the turning circle until 2.55pm and Year 2 parents do not enter the turning circle until 3.00pm. The safety of our boys is the utmost priority in our duty of care.
Welcome back to school! What an exciting year this is going to be!

For those of you who are new to our school or who I have not met yet, my name is Rachel Johnston and I am the Director of Learning/PYP Coordinator at King’s. My family and I moved to Australia from Wuxi, China at the end of February last year and it is my absolute pleasure to be working here at King’s.

I am what is known as a ‘TCK’ (a ‘third culture kid’), having been born in Zambia to British parents and have had the privilege of living in 10 countries on five continents. My husband is American and my precious four year old son, Brodie, is American/British and speaks English and some Mandarin.

I am looking forward to meeting many of you at our parent information evening next Wednesday and sharing with you a little more about the PYP. It is always great to see so many of you at these events, supporting your boys and our school. K – 6 is the foundation for success. You are your child’s first teachers and we are privileged to work with you as partners to provide an educational environment that strengthens students’ academic, social and emotional growth as world class learners.

This year each class will be starting their PYP journey with the following units of inquiry:

- Kindergarten:
  - Where we are in place and time – ‘School is the next step in my personal history.’
- Year 1:
  - How we express ourselves – ‘We express ourselves in different ways.’
- Year 2:
  - How we organize ourselves – ‘Over time, people have developed different ways of getting from place to place.’
- Year 3:
  - How we express ourselves – ‘People in the past and present societies have used different forms of the arts to express their unique culture.’
- Year 4:
  - Sharing the planet – ‘Natural places have various purposes and mean different things to different people.’
- Year 5:
  - Who we are – ‘Empathy can effect change in the human condition.’
- Year 6:
  - How we express ourselves – ‘Poetry is a way of manipulating and arranging words to create unique perspectives on the world.’

The teachers and students will be doing their best to keep you informed about the learning in the classrooms and we encourage you to get involved to extend student action at home and in the community.

As for our teachers, we have already been busy here at King’s with professional development days prior to the start of the school year. We have also been fortunate enough to have Kelly Borg from the Association of Independent Schools of NSW (AIS) to lead a staff meeting this week on the NSW English Syllabus for the Australian Curriculum. This professional development will be extremely beneficial in helping us move forward as a school as we prepare for the new Australian Curriculum which will come into effect in 2014. AIS will also be providing training on the NSW Mathematics Syllabus for the Australian Curriculum later in the year.

I look forward to another great year at King’s as we work together for our boys.

Rachel Johnston
Director of Learning
rcj@kings.edu.au
Welcome to 2013! Whether it is you’re first year at the school or whether you’ve lost count, we trust that you have experienced the positive nature of The King’s School community. The foundation of this community is the Christian faith, which is evident in the mission statement;

**The King’s School is a Christian community that seeks to make an outstanding impact for the good of society through its students, and by the quality of its teaching and leadership in education.**

As the school welcomes families from any and all faiths and backgrounds, people may be curious as to why this is a Christian school. For an accurate answer one may have to read the founders of the school, but a summary that might suffice could be because of the great wisdom for life that is found in the Christian text - the Bible. For example, Proverbs 22:6 says;

*Train a child in the way he should go, and when he is old he will not turn from it.*

As a parent, this verse has greatly assisted me in helping me raise my three children. Any parent knows that their child is born with a definite bias towards doing the wrong thing (The first word my children learned to say was ‘no’!) The verse reminds us that if we let our children choose for themselves, the chances are they will choose to do the wrong thing. Therefore they need to be trained.

We can’t leave our children to the guidance of their own will. They do not yet know what is good for their mind any more than what is good for their body. We do not let them always decide what they will eat, and drink (Otherwise the menu might only consist of fast food). We are to deal with their minds in the same manner. Train them in the way that is right, and not in the way that they think is right. Otherwise their spirits may be filled with junk!

To assist parents in this, the school has a church family that meets on the grounds each week and all are welcome. There are two services that meet every Sunday;

**Church@Kings 9.30am Family Service** - which meets in the Centre for Learning and Leadership (CLL) in the Senior School and caters for newborns through to Year 9 aged students.

**Church@theChapel 7pm Young Adults Service** – which meets in the chapel building and is for Senior High and University aged students.

In 2013 the church wants to reach out to your family no matter what you’re situation or what you’re going through. May God bless you this year!

---

**Chess Club 2013**

Following on from the success of chess coaching last year we have invited The Sydney Academy of Chess to again conduct coaching in the Prep for boys in Years 1-6. The coaching is suitable for all ability levels, even complete beginners.

The lessons are conducted in two parts. Firstly, the teaching component involves an interactive group lesson and puzzles from a professional chess teacher and using the Smart board.

The second component of the class is when the boys get a chance to put their new knowledge into practice. They will play friendly games against each other, receiving personal feedback from the teacher.

This year boys in Years 1 and 2 will have coaching available on Wednesday 3:05-3:50 pm. Lessons will occur in the Infant’s classrooms and the KIP teacher will walk the boys to turning circle at 4 pm. Boys not collected from turning circle will automatically go to After School Care.

Primary coaching will occur on Thursday 3:30-4:30 pm. Boys will line up with other After School Activity boys in the hall and the chess coach will collect their class and take them to the ILC for the lesson.

Classes will be capped at 20 boys each class. This is to enable individualised tuition. I have requested two coaches made available for both Infants and Primary. Enrolment forms are included in this newsletter. Please ensure you are filling in the correct form either Infants or Primary. Infants boys cannot enrol in the Primary sessions. Similarly, Primary boys can only attend on Thursday. The only change to this will be when a Year group is away on camp the Primary boys will be able to attend another session. Please also follow payment instructions on the form as the school does not process the forms or handle payment. It is advisable to enrol as soon as possible so we have a roll provided to us prior to lessons starting.

Lessons begin in Week 3.

Further Chess notices will be included in the school newsletter and on the noticeboard (window) outside 5P.

I look forward to another exciting year assisting the boys develop their chess knowledge and skills.

Catherine Pearman  
cgp@kings.edu.au  
Chess Co-ordinator

**Prep Newsletter** - 7 -  
**Issue No 1 – 1st February, 2013**
Welcome Back.

I am looking forward to meeting and teaching the boys Visual Arts at The King’s Preparatory School this year. If you have newspapers or old towels that you no longer require, please bring them to the art room. I am available Monday to Thursday at The Stables.

Thank you
Ann Wilkins

Snowsports AGM and Information Evening

“Calling all those interested in skiing for The King’s School for 2013!”

We would love to meet anyone interested in joining the team this year for a BBQ and catch up on Friday 1st March from 4:30-8:00pm. We will be meeting down in the Infants area of the Prep School and welcome new and ‘old’ ski families.

We will have a special display by the NSW Biathlon Association, 2nd hand equipment to sell or swap, ski uniform clothing ready to order, information about the Annual Ski dinner, the 2012 ski movie on show and registration information.

It will be a fun night to meet current ski families and ask lots of questions.

Hope to see you there.
The Snowsports Committee

Prep Newsletter - 8 - Issue No 1 – 1st February, 2013
Learning 360
ALTUS

Learning360 is the framework used to meet the needs of Gifted and Talented students (ALTUS) and Learning Support Services (LSS) in the Preparatory School. ALTUS is the Latin word for ‘nourished’. Interestingly some students can require both ALTUS and LSS provision; the two are by no means mutually exclusive! Learning 360 communicates the concept that there are 360 degrees in a circle. The student stands figuratively in the centre of that circle, with learning ongoing in every direction! Learning360 provokes students to explore and reflect on the learning cycle, then make informed choices and decisions along the way.

Gifted and Talented (ALTUS) students are found in all communities, regardless of ethnic, cultural or socio-economic background. The school, in line with its Mission Statement, recognises its obligation to advocate on behalf of all students, including the gifted. Consistent with Passow (1998), the School believes that not all learning experiences are appropriate for all students. Learning provision for ALTUS often needs to look different to be effective.

The International Baccalaureate’s Primary Years Programme (PYP) seeks to be the leading edge of educational thinking worldwide. The PYP philosophy is to place increasing focus on meeting the needs of the exceptional student within the regular classroom. This represents a shift in strategy. Previously withdrawal groups were the favoured approach. Now the concept-driven PYP, with its responsive student-initiated inquiry stance, and planning cycle, is well placed to “be considered as a viable approach for meeting the needs of gifted children” (Johnsen 2002, in Leonard).

ALTUS provision in The Preparatory School is part of the wider Learning360 program. Provision is given to each year group in Literacy and Numeracy on a weekly basis. In addition, each teacher will differentiate the teaching program, where possible and appropriate, to suit the needs of all learners. ALTUS students are identified through various means including standardised assessments, checklists, work samples, peer and self-identification, and observations.

We look forward to another exciting year in ALTUS!

Voni Howard
ALTUS Coordinator
Preparatory School

ALTUS WEEKLY MINDBENDER:

If you enjoy creative problem solving, make sure you look out for the ALTUS Mindbender each newsletter. Look in the next newsletter to find the answer for this mindbender below.

How many people are on the picture?
Dear Parents,
30 January, 2013

During the first two weeks of Term 1 students in Year 3 – 6 will be trialled in the Summer Sport of their preference, although this does not mean we can guarantee them a place in that particular sport.

There will be internal trials on **Thursday 31 January** in school time (1.45 – 3.00pm). This **Saturday 2 February** there will be internal trials held at the Prep School between 8am and 10am approx. Further information is attached. After school sport training will begin from **Monday 4 February** and will be held on the Preparatory School playing fields and courts from 3.30 pm – 4.45 pm. Details can be seen below.

Summer sport training will cease from Week 8 in Term One.

**After school training days for Term 1 will be as follows:**

N.B. Swim Team is comprised of the 2013 top swimmers that compete for the School. If you are a new student to the school and would like to find out more information about the swim team please contact Mr Rogers (pbr@kings.edu.au)

All after school training sessions are conducted on the TKS Price Fields, Price Courts, Harris Courts and Gowan Brae Courts. They commence at 3.30 pm and conclude at 4.45 pm.

**UNIFORMS:** Boys who have been selected in the Prep are expected to wear the following uniform.

- **CRICKET**
  - TKS white monogrammed polo shirt, white shorts, short white socks, white sport shoes,
  - TKS white wide-brimmed hat or TKS cricket cap. (Traditionally long white pants are worn by the 1st XI team, although they can be worn by other teams but are not necessary to have both)

- **BASKETBALL**
  - TKS basketball shorts and singlet, white socks, sports shoes, TKS K-cap

- **TENNIS**
  - TKS navy blue monogrammed polo shirt, white shorts, white socks, sports shoes and a TKS K-cap

**Sunscreen / blockouts should be worn.**

All items of apparel can be purchased at the Braeside Clothing Shop at The King’s School. Please make sure all equipment and clothing is labelled correctly with the students details so it can be returned if found.

**WET WEATHER DETAILS:**

In the event of inclement weather no decision will be made until Saturday morning at approx. 7.00am

Team members are to ring the Wet Weather Number 9683 8484 after 7.00am for a recorded message or access http://intranet.kings.edu.au/prep/wetweather/wet.htm

Why Chess?

Educational Benefits of Chess:
- Improves concentration and focus
- Develops logical thinking and problem solving skills
- Enhances memory
- Encourages creative and lateral thinking
- Promotes discipline
- Accelerates emotional development
- Expands visualisation and spatial awareness
- Demonstrates actions and consequences
- Rewards correct decision making
- Increases self-confidence
- Provides opportunities to make new friends from diverse backgrounds

Combines learning with fun!

Chess clock – Cost: $65
[DTG Easy Gametimer]

Chess set – Cost: $22
[Roll-up chess board + pieces]

NEW Advanced Book – Cost: $33
[Exploration in Chess Beauty]

Pay for four terms in advance and receive a free chess set or workbook 2 valued at $22. Offer expires 31st March, 2013. (Please circle your choice)

Payment is due by the day of the first lesson. There will be no refunds for students who miss classes during the term.

Total amount paid: $________________________

Please send all forms and payments to Sydney Academy of Chess - the school will not be accepting them!

Method of payment [please note that cash payments will NOT be accepted]

Please tick the appropriate box

☐ Direct deposit

Sydney Academy of Chess
BSB: 062 319
Account Number: 1036 9569 [Commonwealth Bank]

In the transaction description, you must write the school code “KM”, followed by the term/equipment code(s) and the child’s first initial and surname.

Codes: Term 1 = 1, Term 2 = 2, Term 3 = 3, Term 4 = 4, Workbook 1 = 5, Workbook 2 = 6, Workbooks 1 & 2 = 56, Advanced Book = 7, Chess clock = 8, Chess set = 9

For example, “KM1234/Jones” would be John Smith’s payment for terms 1 and 4, plus a payment for Workbook 2, and a chess set. If you pay by direct deposit, you must email a receipt and this permission form to enrol@sydneyacademyofchess.com.au

☐ Cheque

Payable to Sydney Academy of Chess
Pay at Sydney Academy of Chess or post together with the permission slip to:
Sydney Academy of Chess
PO Box 1325 Burwood NSW 1805
