Welcome back to all our families after the holiday break. I do hope that the children are feeling refreshed and families were able to benefit from extended time together over the Easter break.

This term we welcome Mrs Joanne Usher who will be teaching class 3L while Mr Charlie Lavender is on long service leave. Jo has been working as a relief teacher over the past couple of years at the Prep and knows many of the Prep boys. Chris Xegas will be taking on the Housemaster’s role for Stiles House this term. We also welcome Ms Rosemary Hawke as our new Prep School Counsellor. Rosemary is a trained teacher and psychologist. She is a highly experienced professional having worked with students in the NSW Department of Education Schools for 15 years in a counselling role as a private practitioner and also more recently at William Clarke College. Rosemary will be available to meet with boys and parents on Mondays and Tuesdays each week.

Term 2 is the shortest term in our school calendar this year and the boys will find things moving at pace this term. The students will be involved in a number of assessment activities throughout the term with the boys in Year 3 and Year 5 also completing the NAPLAN national assessments from 13th – 15th May.

Winter Sport Arrangements
The winter sports programme gets underway with the first matches for the season starting this Saturday. I’m sure many of the boys are very excited to be playing rugby and football for their school. The school fixture list was sent home this week. If for some reason parents missed receiving a copy, it can be found on the Prep School iLearn page or a hard copy can be gained from the Prep School Office.

Attendance at Saturday sport is compulsory and absence is only granted in the case of sickness. If a child is away on Friday, it is presumed that he is unfit for sport on Saturday. However, if there is a pattern of Friday absences that develops, this will be followed up with the family by Deputy Head, Greg Blackman or myself.

It is vital that all students arrive well in advance for their match commitments. It is the expectation of the School that boys will arrive at the start of the previous match in time to cheer on and support the team running onto the field. This will allow the boys to support their fellow school mates during the first half and have all their gear in place ready to go through stretching and pre-match warm up drills prior to their own game.

Parents should refer to maps on iLearn which show fixture locations. An allowance should be made for the time taken to find parking and identify the correct field when playing away matches. Many schools do not enjoy the same space and ease for parking that we enjoy at King’s.
**Waratahs Stars Visit the Prep**

There was great excitement on Wednesday at the Prep with the visit of three Waratah and Wallaby heroes to the Year 3 rugby training session. Organised through the Fathers’ Association, the boys were honoured to receive their personalised King’s headgear from rugby greats Israel Folau, Wycliff Palu and Sekope Kepu. The headgear is a generous gift sponsored by the Fathers’ Association for the Year 3 boys who will be beginning their rugby careers this week at our first winter fixture. After the presentation, the three special guests stayed to assist the boys in the afternoon training drills. Hopefully, our young lads will be inspired by the interaction with their heroes for their upcoming match this Saturday!

**Dr Hawkes Sharing About the Role of Fathering Sons**

On Tuesday 20 May at 7:30pm, fathers of the Prep School will have the opportunity to enjoy an evening with our Headmaster, Dr Timothy Hawkes, as he shares with us on his latest research and understanding around the topic of fatherhood. Many of the details will be elaborated on in an upcoming book he has authored entitled, “Ten Conversations you must have with your son,” which will be published mid year.

Alongside the chance to hear important information about the role of fathering, the evening will be a great opportunity to meet with other dads, catch up with friends and get to know others. Depending on numbers, the location will either be at Mr Allison’s house, ‘The Cedars’ or the Prep ILC.

Please look to join us on Tuesday 20th May and confirm your attendance below so we can properly cater for the evening. Go to this link: [http://www.trybooking.com/Booking/BookingEventSummary.aspx?eid=82832](http://www.trybooking.com/Booking/BookingEventSummary.aspx?eid=82832)

**Opportunities for fun and fostering of community**

Tickets for the School Ball K-12 are now on sale at [http://www.trybooking.com/EQUF](http://www.trybooking.com/EQUF). The gala event will be held on Saturday 31 May at Rosehill Gardens Pavilion, James Ruse Drive, Rose Hill starting at 7pm. Look to gather some friends together and book a table of 10 or register as a couple. With a black tie Carnivale theme, it promises to be a fun-filled event and a great way to get to know other parents across the wider school community.

The Prep School Trivia Night will be held on 14th June and promises to be a great night of fun and fellowship. The feedback from last year’s international these was so positive, we’ve decided to continue with the same theme again this year. Parents should start planning to get a table together for this terrific event, which also helps to raise valuable funds to support our Prep boys.

**China Tour Adventure**

In the final week of term and over the first week of the school holidays a tour group of 35 Years 5 & 6 Prep boys, parents and staff headed to China for a cultural tour. The itinerary included capturing all the major sites in Beijing and Xian and finished off with an exploration of the countryside in southern China around the regions of Guilin and Yangshou. Alongside visits to landmarks such as the Forbidden City, Great Wall and Terracotta warriors, the tour group enjoyed participating in kung fu and tai chi lessons, calligraphy instruction and bike riding along the ramparts of the Xian city wall and through the countryside of Yangshou. The itinerary also took in two school visits which allowed the boys opportunities to utilise their growing Mandarin language skills and learn more about the Chinese schooling approaches and facilities. More details about the tour will be shared in next week’s Herald item.

**Armidale Rugby Tour**

During the first part of the holiday period, a select group of senior Prep students ventured to Armidale to compete in The Armidale School Rugby Carnival. Joined by a team of family supporters, the boys enjoyed a very successful tournament and some wonderful experiences together. Within the pool of 20 schools in which the team competed, King’s managed to come in 6th place with victories over Dalby Wheatman, Inverell Highlanders, and St Patricks of...
Strathfield. Our thanks are extended to our Director of Sport, Phill Rogers, for his organisation, management and preparation of the team and for his assistant coaches, Mr Mike O’Connor and Mr Matt Knight, who helped in per-tournament development and during the tour.

**Football and Rugby Holiday Camps**
During the break, some students took advantage of the opportunity to extend their skills by attending football and rugby camps hosted at King’s Prep. The football camp was co-ordinated by the Football Development Academy and the rugby camp was co-ordinated by our own PE teacher, Mr Rod Hokin. The added coaching clinics should prove very valuable in the upcoming interschool matches which begin on Saturday 3rd May.

**Two outstanding sporting achievements**
Our congratulations are extended to two of our Prep School students who achieved tremendous success in their respective sporting pursuits during the holidays. Year 6 student, Lachlan Shaw, participated in the NSW State Cricket carnival representing the CIS team. At the conclusion of the carnival Lachlan was selected to play for the NSW Cricket side which will participate in a national tournament in Darwin later in the year.

In April, 6M student, Nathan Yuen, competed in the Australian Schools Karate Championship and won a gold medal in the 10-11 years Kata event. Following his success here, he competed in the Australian Open Karate Championships, gaining a silver medal. During the holiday period, Nathan competed in the US Junior International Cup in Las Vegas. Taking on a highly competitive international field, Nathan was able to gain a bronze medal in the Kata discipline. This is an extraordinary achievement! Later this year, Nathan will be competing for NSW in the Australian National Championships, with the view to gaining representation in the Oceania Karate Championships in Fiji in September.

I hope everyone was able to find time to relax and recharge over the Easter break. Term Two promises to keep the boys and staff very busy with many planned activities over the next seven weeks.

**Change in date for the last day of Term Four and the Preparatory School Presentation Day**

To ensure that the Prep School and the Senior School conclude the year on the same day, there has been a change in the dates for the end of the Year. The term will end on Wednesday 3rd December, with the compulsory Years 3-6 Presentation Day taking place on Thursday 4th December.

**NAPLAN**

All parents in Years 3 and Year 5 should have received a note in the last week of Term One indicating that this year’s NAPLAN test will take place according to the following timetable. The boys have been practising NAPLAN style questions and are well prepared.

**SunSmart School**

The King’s Preparatory School has recently been accredited as a SunSmart School. The SunSmart Program supports primary schools to develop and implement a sun protection policy that minimises student and staff over-exposure to UV radiation, and reduces the risk of skin cancer.

As a SunSmart school, parents can be confident that King’s Prep is implementing an approved sun protection policy that meets the Department of Education and Communities Sun Safety for Students Guidelines.

**Prep Fathers’ Association Trivia Night**

This is a great night and I would encourage everyone to get involved. Booking information will be forwarded to parents in the very near future. Many of our Class Mums will be assisting with the organisation of tables, especially for those who are new to the School or those who don’t know anyone else going. Please get in contact with one of the Class Mums or look out for upcoming information from the Fathers’ Association about how to book.

On Becoming esmart

The growth in the use of technology at home and at school has created new areas of caution for families and educators. Many parents question their children’s use of ICT devices, concerned with the number of screen hours and content exposure. This is also of great concern to us at school. In response to the need to develop whole school policies and practices, we have joined a growing group of schools that register as esmart schools.

The eSmart system guides the whole school community through a process of developing and implementing change. It is based on research and evidence about what has worked to generate change in schools in Australia and around the world.

The framework is organised into six domains:

1. Effective school organisation
2. School plans, policies and procedures
3. A respectful and caring school community
4. Effective teacher practices
5. An eSmart curriculum
6. Partnerships with parents and local communities

An eSmart school is a school where the smart, safe and responsible use of information and communications technology is a cultural norm. Students, teachers and the wider school community are equipped to embrace the best these technologies can offer, while being savvy about the pitfalls. In eSmart schools, relationships are strong and supportive, and learning outcomes are enhanced. Bullying and cyber bullying are therefore less likely to thrive.

A committee drawn from all areas of the school community provides strong and effective organisation to guide implementation of systems, structures and planning to ensure a school reaches and maintains eSmart status.

The King’s School Committee:

Rev Stephen Edwards (Chair), School Chaplain
Mr Greg James, School Counsellor
Dr Andrew Parry, Deputy Headmaster
Mr Greg Blackman, Deputy Headmaster
Mr David Swinfield, Year 12 Coordinator
Mr Justin Walkden-Brown, Director of Studies
Mr Michael Eggenhuizen, Director of ICT
Mrs Belinda Baxter, Director of Students

eSmart is considered to be at the leading edge of international research, knowledge and current best practice to reduce bullying, cyber bullying and other cyber risks for children and young people. Our eSmart model promotes strategies for dealing with a broad range of cyber risks. It also embraces the positives of technology for teaching practice and enhancing young people's learning, as well as its role in positive relationship building.

Parents are encouraged to review literature in this area and make committed decisions regarding the use of technology for their family. Stranger danger is no longer limited to the streets and alleyways.

THE PYP EXHIBITION

The PYP Exhibition is a major learning event and involves Year 6 boys identifying, investigating and proposing a solution to a problem, which is local or global. It involves a synthesis of all the knowledge, skills, attitudes and conceptual understanding gained during his journey with the PYP. The PYP Exhibition is an exciting but challenging learning experience for our Year 6 boys.

We would like to invite all Year 6 parents to attend an information session about the PYP Exhibition.

When: Thursday 22nd May (Term Two - Week Four)

Time: 8:00 am – 9:00 am

Where: Upper ILC

Who: I would strongly recommend that Year 6 parents attend to gain an understanding of this landmark event in the educational life of the boys at the school. Year 5 parents are more than welcome to attend in preparation for next year.

RSVP: To register your attendance at these workshops, please email me by Friday, 9th May (Term Two - Week Two).

We look forward to seeing you at our session.

Armidale Rugby Tour 2014
At the start of the holidays 22 Prep boys left on the annual Rugby Tour to Armidale. The boys stayed in White House at The Armidale School where the carnival was held. Forty nine schools attended the carnival this year with it being the 10th year the carnival had been held. We played 5 games in total, 4 games on Saturday and just the one on Sunday
King's vs Dalby Wheatmen - WON 28 - 5
King's vs Matthew Flinders Anglican School - LOST 6 - 10
King's vs Inverell Highlanders - WON 6 - 0 (This team was unbeaten and ended on top of the pool)
King's vs St Patrick's Strathfield - WON 18 - 0
King's vs Woolongbar - LOST 6 – 18

It was a fantastic effort by the boys coming 6th out of 20 teams in our pool. It was terrific having so many of the parents able to attend and supported the boys at each of the games. Thank you to the Rugby Club for their financial support. Thank you to Mr O'Connor and Mr Knight for their assistance in making the tour such a success.

Rugby Clinic
The Prep also have a successful rugby clinic in the holidays. Forty boys attended the clinic, many of which were from the Under 9's age group. I would like to thank Mr Rod Hokin for his leadership of the clinic and the coaches for making the clinic so valuable for the boys.

Code of Conduct
Attached is a code of conduct that all members of IPSHA need to adhere to. We hope that by doing so we will show our boys the appropriate ways to behave.

Lachlan Shaw
Congratulations to Lachlan Shaw for making the NSW U12's Cricket team. What a wonderful achievement. We are aiming to help Lachlan make it to the nationals through selling raffle tickets. Information will come out shortly.

Winter Sports draw
The Winter Sport draw can now be found at the back of this newsletter. It can also be found on iLearn. Please note that this is subject to change and the latest changes can be found on iLearn. I have also created a link on the addresses that will take you to a map. Please check the iLearn Prep Sports page weekly.

House Jerseys
The Prep house jerseys have taken slightly longer to come in this year. They will be available for pick up from the Braeside shop after the 5th May. Boys can wear School jersey until they are in.

Headgear donation to Year 3
The Fathers’ Association has decided that this year they will make significant contributions to sport at King’s. The Fathers’ Association have provide each Year 3 boy with a King's branded headgear with their name on it. It was terrific to have 3 Waratahs present them Wednesday afternoon. Thank you to David Levy for arranging the Waratahs and Neil Armstrong and the Fathers Association for this incredible initiative.

Rugby Club
A reminder that the Rugby Club is a big supporter of your boys throughout the years. This year the club is supplying every boy that plays Rugby for King’s will be supplied a King's Rugby jersey. Rugby Club memberships can be found at the back of the newsletter. Not long now to arrange your table for the Rugby Lunch. The Luncheon will be held on 18th July at the Sofitel Sydney Wentworth (61-101 Phillip Street Sydney).

Rugby at The King’s School

The King’s School has a proud rugby history dating back to 1818, when we played our first match against Newington College.

King’s is a founding member of the AMPS and has produced 20 Old Boys who have gone on to play for the Wallabies, four as Captains.

However, rugby at King’s is not just about the elite players. The culture of King’s rugby is one that encourages all boys at all levels, to compete with fierce determination and commitment, whilst still honouring the traditions of fair play and sportsmanship.

The Aim of the King’s School Rugby Club

The King’s School Rugby Club was established in 1818 with the aim of uniting support for a sport that provides physical and mental benefits. All players at all levels can enjoy rugby and see its full potential. The Club is also a great way to get to know other supporters with a keen passion for rugby.

Recent Achievements

Over the years the Club has supported rugby at King’s by:

- Subsidising the Prep 1st XV Tour to the USA
- subsidising the U15 tour to the Gold Coast
- subsidising the U14 tour to the United Kingdom and France
- purchasing essentail rugby equipment and services including skills coaching for all players
- providing end of season trips for all players

How You Can Help

It doesn’t matter whether you’re new to King’s or an “old hand”, your support of the Club is highly valued. Your participation in its activities is very much appreciated. It is very easy to help:

- Become a member of The King’s School Rugby Club
- Come along to the annual Rugby Lunch
- Sponsor the Rugby Club logo on a shirt
- Support the fundraising efforts by purchasing the limited edition T-shirt

Plans for 2014

Along with providing funding for its usual activities, this year the Club will provide all 85% of players in the Prep and Senior schools with a free Club Cap to their membership also include in the limited edition T-shirt.

Join King’s Rugby today and be a part of the biggest rugby club in the country.

Membership Application

Membership of The King’s School Rugby Club is open to all players, alumni and supporters. Your membership will help fund our club’s expansion, new equipment and regular tours. The Club also provides events for supporters to show their support in rugby.

Teamwork, Respect, Enjoyment, Discipline & Sportsmanship
CODES OF BEHAVIOUR FOR SCHOOL SPORT
(Based on IPSHA Aims and Principles of Junior School Sport and Aussie Sport)

The role of the host school / convenor is to be clearly defined (i.e. responsibilities re provision of umpires, referees, sportsmanship, barracking, courtesy etc.) Host School (i.e. staff, children and parents) should welcome visitors to the school grounds.

COACHES’ CODE OF BEHAVIOUR

• Basic skills should be taught to all team members. Children should be encouraged to play hard and win fairly.
• Teach your players that rules of the sport are mutual agreements, which no one should evade or break.
• Children should participate for fun and enjoyment and winning is only part of their motivation. Never ridicule or yell at the children for making mistakes or losing a competition.
• Coaching during games should not interfere with the control by the referee or umpire, nor should it be offensive to opponents.
• Ensure that equipment and facilities meet safety standards and are appropriate to the age and ability of the players.
• Develop team respect for the ability of the opponents as well as for the judgment of officials and opposing coaches.
• Make a personal commitment to keep yourself informed of sound coaching principles and the principles of growth and development of children.
• Make it positive experience for the children.

PLAYERS’ CODE OF BEHAVIOUR

• Play by the rules.
• Never argue with an official.
• Control your temper. Verbal abuse of officials or other players, deliberately distracting or provoking an opponent is not permitted in any sport.
• Work equally hard for yourself and/or for your team. Your team will benefit, so will you.
• Be a good sport. Applaud all good plays, whether they are by your team, opponent or the other team.
• Display modesty in victory and graciousness in defeat.
• Treat all players as you would like to be treated. Do not interfere with, bully or take unfair advantage of another player.
• Co-operate with your coach, teammates and opponents. Without them there would be no competition.
• Place in proper perspective the isolated incidents of unsporting behaviour rather than make such incidents the ‘highlight’ of the event.
• If a player is sent off during the game, a one-week suspension is recommended.
• Thank the opposition and officials at the end of a game

SPECTATORS’ CODE OF BEHAVIOUR

• Children play organised sports for fun. They are not playing for the entertainment of spectators only, nor are they miniature professionals.
• Applaud good performances and efforts from each team. Congratulate all participants upon their performance regardless of the game’s outcome.
• Respect the officials’ decision.
• Never ridicule or scold a child for making a mistake during a competition.
• Positive comments are motivational and encourage continued effort.
• Condemn the use of violence in any form, be it by spectators, coaches, officials or players.
• Show respect for your team’s opponents. Without them there would be no game.
• Encourage players to follow the rules and the officials’ decisions.
• Demonstrate appropriate social behaviour by not using foul language, harassing players, coaches or officials.
• Comments should not interfere with the running of the game.
• Focus on the efforts and performance of the children rather than the result.

Praise

Praise is encouraged at all levels.

Complaints

Complaints concerning the conduct of games; should not be made during or after the game. should be referred to one’s Head of Junior School and any action should be left to his/her discretion.

UNDER NO CIRCUMSTANCES should parents contact schools directly.

All grounds must be kept clean - litter must be placed in the bins provided.
