Prep School Newsletter Week 1 Term 4

Welcome back to all our families. I have enjoyed catching up with some of the boys this week and learning about their holiday adventures. Like me, a number of them are still celebrating a mighty victory for the Rabbitohs in the NRL grand final after 43 years in the wilderness.

It certainly has been busy during the break at the Prep School with building works beginning for our Pre-Kindergarten facility. Some redevelopment, both inside the cottage and outside in the grounds around the building, has reinforced what a wonderful learning facility this will be for our youngest Kingsmen next year. At this stage, it is envisaged that the major work for the new Pre-Kindergarten learning spaces will be completed before the end of the term. Work will begin this weekend in the Year 3 classrooms. The staged refurbishment of the Years 3, 5 and 6 classrooms is an exciting project that will see these classroom and associated breakout areas extended and redesigned into more flexible learning spaces. Dedicated storage areas have been designed, incorporating recharging stations and secure cupboards for laptop computers, and internal locker spaces for our Year 3 boys. The architectural design will see these classrooms finished in keeping with the Inquiry Learning Centre (ILC).

For most of this term, our Year 3 classes will be operating in the lower level of the ILC to enable this work to begin on the class areas.

In regards to staffing, we welcome back Linda Gray from her long service leave. Linda used part of her leave time to travel to China and assist with some Christian mission work in remote areas. Jonathon Ollis and Melvin Tan won’t be with us this term as they are also enjoying some long service leave. Class teachers will be solely responsible for the Science lessons this term and Mrs Lorraine LeClaire will be taking on the teaching and pastoral responsibilities of Class Two Indigo.

Will your son feature on the Student Walk?

There is a wonderful opportunity for your son to be remembered forever at the Prep School with the opportunity to have his name listed on the Student Walk that will lead to the new Pavilion to be constructed on the hillside of the Price Fields. Parents can purchase a brick that will have their son’s name carved into the surface and then laid as part of the Student Walk. The funds raised from the sale of the bricks will go toward the construction of the Pavilion.

THOUGHT FOR THE WEEK: “The Journey of a thousand miles must begin with a single step.”
The Pavilion project, sponsored by the Fathers’ Association, will provide seating for spectators, a dedicated canteen and eating area, toilet amenities, together with a sports equipment storage area. To remind parents of this unique opportunity, the students have been issued a personalised miniature brick card. This card provides immediate access to information on the project and registration information for the purchase of a brick paver.

**Outdoor Movie Night – Saturday 18th October**
A great evening of fun has been organised by the Fathers’ Association for Saturday 18th October with an outdoor cinema to be erected on Price 5. Families are encouraged to come along with a picnic rug or deck chairs, a hamper of food and drinks, and enjoy the screening of new release movie, “Justin and the Knights of Valour.” Although there is no charge for the event, we do require families to book tickets. There is also the opportunity to pre-order food that will be available from the canteen. Come and join us by booking at bit.lyTKSmovienight

**Briefcase Brouhaha Performances next week**
Excitement is building for the upcoming performances of ‘The Briefcase Brouhaha’ on next Wednesday and Thursday evening from 7pm. The cast and crew of Year 3 & 4 students have been working tirelessly over the past two terms in preparation for the show. The play written by home grown talent, Mrs Rachel Johnston and Ms Voni Howard, promises to be an entertaining trip down memory lane at The King’s School, back to the psychedelic colour of 1974. Tickets can be booked at the Prep Administration Office. There is no charge for tickets, however, a donation to The Drama King’s fund would be gratefully appreciated to aid support for future productions.

**Honouring our last Head of the Prep**
Today the boys were able to welcome back a much loved member of the Prep community, Mr Keith Dalleywater. Keith joined the staff for lunch and the boys at the Friday chapel service, where a few words of tribute were shared for Keith and the boys saw the unveiling of his portrait. This painting will join the other portraits in the collection of Headmasters of the Preparatory School on display in Horrocks Hall.
Welcome back to Term 4

I want to welcome all boys and their families back to what is a very busy but exciting term. There are a number of events on during the term and I encourage all families to become involved when they are able. Our community is a special one, which is enriched by the involvement of all.

Illnesses
From time to time, boys will come down with a contagious illness or health issue. This might include things like whooping cough (pertussis) and head lice. It is important that the School be notified of these illnesses and other health issues. For contagious illnesses, your son is to be kept home until his contagious status has been cleared by a doctor. Whooping cough and other 'childhood' infections are harmful to all, but in particular they are extremely dangerous to pregnant women and babies who have not yet been immunised.

Concert by Joshua Han (Year 6)
Last term, I wrote about the success of Joshua who had competed in the International Competition for Young Pianists in Germany. The Ettlingen competition is a high standard international competition for young pianists and Joshua won the Under 15 Category after a screening process that included 296 young pianists, coming from 42 nations. After the pre-selection, which was done by recordings, 108 competitors were admitted in the two categories.

Joshua is the first Australian to win this competition and joins illustrious company; past winners include, world-renowned pianists, Lang Lang and Yu Jia Wang. According to the President of the competition, Professor Robert Benz, Joshua received the highest mark ever awarded in history: 99.9/100. An outstanding result!

As part of his Year 6 Enterprise Project, Joshua has organised a concert on Wednesday 22nd October commencing at 6:00 pm in Horrocks Hall. Admission will be by donation (minimum gold coin) and all funds will be forwarded to the Cancer Council. Don’t miss out on this wonderful opportunity to hear one of the real stars of the future, although I believe he is a star already.

*Prep Newsletter - 4 - Issue No 15 – 10th October, 2014*
With the Year 3 and 4 performance of *The Briefcase Brouhaha* next week, it only seems fitting to write about drama in the curriculum. Many schools include drama within their English programs as well as across the other areas of the curriculum. The boys are able to develop knowledge, skills and understanding in making, performing and appreciating drama collaboratively.

When making drama the boys are provided with opportunities to engage in devising, shaping and symbolically representing imaginative situations, ideas, feelings, attitudes and beliefs.

When performing, the boys have the opportunity to communicate their roles and ideas to others. When the boys perform to an audience they are called ‘actors’ and develop an actor-audience relationship.

When they view drama they become the ‘audience’.

Boys can appreciate drama when provided with opportunities to describe, reflect and analyse their own drama work and that of others.

The action of the drama is developed by exploring questions about who, what, where, when, why and how.

**Who are we in the drama? (Relates to role)**
Taking a role involves moving from an everyday context into an imagined situation. The boys are ‘stepping into someone else’s shoes’ and taking on this ‘character’. Role and the body, within the shared fiction of the drama, can represent abstract ideas, objects or feelings.

**What are we doing? (Relates to dramatic context – topic, idea, issue)**
The topic, idea or issue helps the boys decide what is being conveyed in the action of the drama. This helps us to establish drama that is distinct from everyday situations. This dramatic context could be derived from familiar experiences, fantasy, observations, student interests and ideas, other key learning areas, or cultural practices.

**Where are we? (Relates to dramatic context – fictional setting)**
The fictional, sometimes referred to as the imagined, setting refers to the place where the drama is set.

**When is this happening? (Relates to dramatic context – time)**
The boys learn about time and how this determines when the drama occurs. They learn how the past or the future, the
time of day, week, month, year, century or millennium can establishes the dramatic context. The choice of movement, set, props, language or costumes is used to develop and focus the action of the drama.

**Why is this happening? (Relates to the elements of drama)**

Boys learn about the **elements of drama**, which include dramatic tension, contrast, symbol, time, space, focus and mood. This leads them to determine why the action is shaped in a particular way to create dramatic meaning.

**How are we doing it? (Relates to dramatic forms)**

The **forms of drama** could include improvisation, movement, mime, storytelling, readers’ theatre, puppetry, masks and video drama. Performances that have different functions in different cultures can also be explored.

The following link reveals the positive impact of drama on a student's physical, emotional, social, and cognitive development.

[http://www.dramaed.net/benefits.pdf](http://www.dramaed.net/benefits.pdf)

So as you can see, drama is worthwhile for all children!

“All the world's a stage, And all the men and women merely players; They have their exits and their entrances, And one man in his time plays many parts, His acts being seven ages.”

**Year One Expo**

After many weeks of preparation and planning, Year Ones were very excited to present the annual “Worker’s Expo”. With posters, Powerpoint presentations, special props and answers prepared, the boys really wow’d our visitors. Parents and friends and a particularly excited Headmaster, visited each stand and ‘inquired’ as they investigated finding a new job!

After having just recently celebrated the Year Six Exhibition, it was wonderful to see the younger inquirers in our school, as they have begun their PYP journey. The confidence with which they each presented their various jobs, made their teachers feel exceptionally proud.

Well done Year One…true little champions with big ideas and dreams!

Jo Grinham and Sarah Moujalli
2014 Subaru Australian Interschools Snowsport Championships

To finish what has been an amazing season of skiing and competition, 8 of our Prep boys travelled down to Perisher for the 2014 Subaru Australian Interschools Snowsport Championships. Together with our ‘big brothers’ in the Senior school, our mighty team included 29 boys altogether. Our Prep team was lead and mentored superbly by Luke and Ben Irving and I would like to congratulate the captains for leading the team with such enthusiasm this year.

One of the special aspects of the snowsport team is that the boys from Kindergarten to Year 12 come together as a family and it has been wonderful to see the older boys mentor the young lads in the Prep. A big thank you to Hugh Manning who led the K-12 team so humbly.

Our magnificent team included Ben and Luke Irving, Callum Taylor, Joshua Keepkie, Orlando Denton, Gus van Aanholt, Edward Selig and Bryn Potter. Thanks also to Todd Potter for being our trusty reserve for Cross Country.

With so many schools providing winter schooling on-snow, and with snow teams visiting from Victoria, which include skiing in their PE programme, the competition at National level was again this year exceptionally competitive. I can proudly report that The King’s Prep School came 5th in the overall point score for boy’s schools in Australia. This is our best result ever!

The individual and team results included;
- **Div 5 Alpine**: Orlando Denton 13th as an individual
- **Div 4 Alpine**: Luke Irving 7th, Ben Irving 8th, Callum Taylor 25th and Joshua Keepkie 45th. **Bronze medal for the team!**
- **Div 5 SkierX**: Orlando Denton 11th, Edward Selig 46th and Gus van Aanholt 48th. Team placed 15th overall.
- **Cross country Freestyle Div 5**: Orlando Denton 3rd, Gus van Aanholt 12th and Bryn Potter 27th. The team placing 5th overall. **Individual Bronze medal to Orlando Denton!**
- **Cross Country Relay Div 5**: Team placed 6th overall.
As we all pack the ski gear away for another year, I would like to thank all our snowsports families for their incredible support, commitment and enthusiasm throughout the season. An enormous thank you to Graham and Kim Selig for their role as President and training organiser extraordinaire! Your passion and commitment to snowsports at King’s has been generous and appreciated by all. To our snowsports committee, many thanks for help with the planning and preparation of our information evening, the fundraising night and especially before all of the competitions.

To my ‘winter husbands’, James Tyree, Dugald Loughnan, Grant Gerber and Jono Ollis, I thank you from the bottom of my heart for all of your friendship and never-ending team work. How blessed I feel to have had such a happy team to work with throughout the season.

To my boys…….words can not express just how proud I am of all of you. You have all tried your hardest and never given up, even when the wind was howling, the rain was pouring or the snow was blizzarding. You have proven again that a King’s boy looks after his mates, his family, his teacher, and you have all demonstrated sportsmanship at all times. You have all challenged yourselves and reached new PB’s!

Most of all…boys, you have proved this week, that “the bigger the smile, the faster you ski.” In my eyes, you are all champions.

Love from a very proud Mrs Grinham x

PS I’m off to the beach now to warm up and start thinking about the season next year!
A note from the performer:
My name is Joshua Han, and I am thoroughly delighted to perform in this concert in order to raise funds for Cancer Council Australia. The reason that I am organising this concert is because, as you might already know, I want to help people that are suffering from cancer or disease, in order to make them experience less pain. This will be done by donating all the money from the donations to Cancer Council Australia, so they can research more about the types of cancer, and invent cures. Personally, I love this way of helping the community.

NOTE: This concert is a MUST WATCH, with pieces from many styles such as the more emotional romantic period, to the fast and exciting contemporary period for a little tinge of spice.

Where: The King's Preparatory School Herrocks Hall
When: Wednesday 22nd October 6:00 pm
Refreshments: Refreshments, which include biscuits and drinks etc. will be served after the concert for free.

P.S. Do not lose this paper—bring it with you to the concert!

The Programme

Spanish Rhapsody - Composed by Franz Liszt, the Spanish Rhapsody is known as one of his most difficult and mature pieces. It is based on the style of Spanish dances and characteristics. (14 mins)

D Major Sonata - Composed by Ludwig Van Beethoven, this sonata was one of his early works, which are usually very bright and joyful. This piece reflects on Beethoven’s fondness of Haydn’s composing style. (5 1/2 mins)

Barcarolle - Composed by Frederic Chopin, the Barcarolle is lyrical and tranquil, featuring a boat sailing in the middle of the ocean. (6 1/4 mins)

Suggestion Diabolique - This devilish piece was composed by Sergei Prokofiev, and is renowned worldwide for its technical difficulty. Suggestion Diabolique features many disharmonics, which symbolise the wrath of the Devil. (3 1/4 mins)

A Short List of Joshua Han's Achievements:

- World Champion- First Prize Winner of the Ettingen International Competition for Young Pianists (15/u)
- National Champion- Kawai Australia Piano Award Any Age Gold Medal
- 14 Gold Medals from the Sydney Eisteddfod Competition
- LMusicA (License Grade) AMEB awarded at 10 years old
- Sixth Prize at the Korea International Piano Competition for Young Pianists (15/u)
- Numerous invitations to perform overseas and in Australia

Joshua Han’s Fundraising for Cancer Council Enterprise Concert

Entry by donation of gold coin

Music is called for both children and adults

All donations are given to Cancer Council Australia

Both children and adults are allowed into the concert
The King’s School Preparatory School Chess Championship

Next Monday 13th October we will be conducting The King’s School Chess Championships to identify the school’s overall chess champion and the champions and runners-up from each year level 1-6.

The boys who have already enrolled for participation in this event go to their class for roll call and then attend Chapel / Infants Active. Following these two events the boys meet Mrs Pearman in Horrocks Hall for the day’s play.

Bevan Clouston, from The Sydney Academy of Chess, will be the Arbiter for us on this day. Morning Tea and lunch will occur as normal.

I wish all competitors the best of luck for this competition.

Sydney Academy of Chess Parramatta Saturday Fun Day Tournament

The next Sydney Academy of Chess Parramatta Saturday Fun Tournament will be conducted on 18th October.

Entry forms can be found in this newsletter, collected from the Front Office, downloaded from iLearn or from the Sydney Academy of Chess website. These competitions are fun and give players a chance to play competitively and improve their rating. The competition begins at 1 pm and finishes about 4 pm so the boys are still able to fulfil their sport commitment in the morning.

**Prep Newsletter** - 12 -  
**Issue No 15 – 10th October, 2014**
Parenting, Technology and Rites of Passage in the 21st Century
Thursday 20th November CLL Auditorium, 7pm

Are you worried about the influence of technology, drugs and peer group pressure? Do you want your boy to become a happy and motivated young man? Are you wondering why some boys do well and others go so off the rails?

Join Dr Arne Rubinstein, best selling author, ER doctor and father of 2 fabulous young men as he provides clear tools and practical solutions to help parents deal with the issues that teenagers are facing today. Dr Arne’s programs and seminars have been attended by over 20,000 people around the world and are designed to support our beautiful boys to become fabulous young men.

In this inspiring and entertaining presentation Dr Arne will discuss:

- How to help male teenagers become motivated and inspired about life
- The major pitfalls in parenting that need to be avoided at all cost
- Latest research around teenagers
- The impact of technology and how to deal with it
- Celebrating the critical transition from boy to young man

Dr Arne Rubinstein is an expert on male adolescent development. The programs and seminars he helped to create have now been attended by over 25,000 people in Australia and overseas. They are designed to support young men during the potentially difficult teenage years and to help them successfully make the transition from boys to young men. In 2008 he was nominated for Australian of the Year for his ground-breaking work with youth.

His new book, The Making of Men, is a practical handbook for parents and teachers of boys and the culmination of years of experience in working with troubled teens.

Dr Arne was the CEO and co-founder of the Pathways Foundation, a unique organisation that creates contemporary rites of passage for adolescent boys and girls nationally. More recently Dr Arne was the founder of Uplifting Australia, a not for profit set up to improve the emotional wellbeing and resilience of children and their families around Australia. He worked as a GP for 15 years specialising in Adolescent Health, Preventative and Emergency Medicine. Dr Arne’s bush property on the North Coast of New South Wales has been transformed into a camping and leadership training facility. Young men and women come from around Australia and the world to participate in the workshops run at YarraKoora.
Free Family Movie Night

Courtesy of the Fathers’ Association

Share an evening together this spring by attending our own outdoor cinema. Kick back with our BBQ and a drink, catch up with friends, and watch the movie. SHHHHHH!
