Celebrating Deep Learning

There have been a number of events in the latter part of this term where we have joined with our parent body to celebrate the wonderful learning that has been occurring in the classrooms. Year One recently celebrated Family Tree Day as one of the culminating exercises in their investigation into families and how they change over time and how they pass on their histories. Last Friday afternoon, Year Four boys bubbled with excitement as they shared all the knowledge that they had gained from their investigation into the solar system and the relationships between the Sun, other planets and Earth. On Monday of this week, it was year Five’s turn to share about their inquiry into how people apply their understanding of Science to improve, invent and create. In a mini-Exhibition style format, the Year Five boys confidently spoke to the visiting throng about their individual investigations and the fascinating knowledge that they had gained about their area of interest.

These events provide additional purpose to the investigation, as the boys feel that they are learning with the view to sharing with an authentic audience. They also provide the opportunity for boys to explain their understandings and the experience not only clarifies the learning within their own minds, but it helps to cultivate greater confidence in speaking to adults and peers about their knowledge and the processes involved in developing that bank of understanding.

On behalf of all of us, I pass on our commendation to the boys and staff involved in these interesting, valuable learning events.

Prep Pavilion - Time is running short - Closing date 30 June 2015

Parents are reminded that the opportunity to purchase a brick paver with their son’s name engraved on it to be included in the Prep School Walk is closing on 30 June. This remembrance pathway will wind its way from the current boardwalk around to the new Pavilion.

There have been a number of purchases made during the past few weeks and we are moving steadily closer to our target fundraising goal.

Parents should be aware that the pavers on the Prep School Walk will be laid on the side edges of pathway, oriented in a way that will allow the names to be read from either direction, to or from the Pavilion. The major section for pedestrian traffic will be the concrete pathway in the middle. Therefore, any parents who were concerned for a religious reason about pedestrian traffic over the named bricks, needn’t be worried.

Parents can purchase a brick for their son/s by following this link:

www.kings.edu.au/preppavilion

Thought for the Week: “You never really lose until you quit trying.” Author unknown
New School Reports
The Semester One Student Reports have been sent home this week. This form has been revised to:

- create a better alignment with the International Baccalaureate Primary Years Programme (PYP) requirements
- create clearer links to the new BOSTES syllabuses incorporating the Australian National Curriculum
- provide parents with greater clarity on areas of growth and achievement
- provide parents with clearer information on the recommendations for the next steps in learning growth for their son

I encourage you to congratulate your son on his achievements and discuss the recommendations that teachers have outlined to guide the next stage of learning growth. Spend time together developing some goals about how this might be achieved in the second semester.

Trivia Night Success
Horrocks Hall was abuzz on Saturday night with glamorous people locked in a cerebral battle at the Hollywood Trivia Night. It was a great community event that was enjoyed by all who attended. A wonderful by-product of all the fun, was the fundraising activities organised to support the construction of the new Prep Pavilion. I’m thrilled to announce that the evening gained over $28,000 which will be directed to the Prep Pavilion. I congratulate our Fathers’ Association President, Neil Armstrong, and his dedicated committee for all their organisation for the event, the terrific team of class mums that co-ordinated the Year Level baskets that contained amazing goodies, and all the families who donated goods to be auctioned for the evening.

Sign Up! Sign Up!
This is to remind parents to sign up for some duties to assist with the running of the Prep School Art Show and Spring Festival to be held on the weekend of 28-30 August. We need to rely on ALL our Prep parents to be able to stage this huge fund raising and friend raising event.

A link was sent to parents to be able to view the various duties that need covering and allow parents to login their details and commit to some shifts.

If you haven’t already signed up to assist, please do so as soon as possible so that we can organise our man and woman power for this important event.

The online sign up can be found at the following link: http://volunteers.kingsartshow.com.au/

Finally...
I wish all our Prep families a nice holiday break. The boys have had a mighty term and extended themselves in many different areas. Rest and rejuvenation need to be on the itinerary for the holiday plans so that they can come back firing again next term. I hope and pray that it will be a safe and enjoyable family time for all.

Peter Allison
Head of the Preparatory School
Trivia Night Year Baskets

I would like to take this opportunity to sincerely thank all the Class Mums for all their hard work in the lead-up to the Trivia Night. The night was a great success, with a record number of people attending and I believe, a record amount of money raised. Everyone in attendance seemed to have a most enjoyable night and really got into the spirit of the occasion.

One of the most popular items for the silent auctions were the Year baskets. A week out, I must admit, I was quite concerned that they were looking a little light on. However, in true King's community spirit, the baskets ended up being at least equal to the best ever seen. The job the Class Mums did with decorating the baskets was truly incredible. I have even taken pictures so Class Mums in years to come can see what can be achieved.

The Year baskets in total raised $4329.00, which is outstanding! The race for the most money raised was very close with Year 5 winning narrowly by $50.00. They will receive a Morning Tea supplied by the Fathers’ Association in Term Three.

I want to sincerely thank all the families that contributed to the baskets and to all those who bid on them. It was wonderful to see the bids get close to the baskets’ true value.

King’s Old Boys Seven’s Football Tournament

The 11As and 1st XI entered teams in this year’s tournament. They had big shoes to fill, with last year’s 1st XI winning the tournament last year. Unfortunately, this year’s 1st XI struggled against some strong opposition. The 11As had more success making it through to the Semi-finals. I would like to thank Mrs Ruddock, and two of our outside coaches, Mr David Lavender and Mr Josh Miller, for their wonderful coaching during the day.

Farewell to Mr Donaldson

This week, we farewell our second Gap student, Mr Ben Donaldson. Ben has been with us for almost twelve months and has been a wonderful asset to the School. Ben has assisted in so many different ways each day. He has coached sports teams, assisted Mr Rogers and Mrs Wilkins with younger classes, taken boys for small group work and assisted in all classes, especially with our Pre-Kindergarten boys, during his time at King’s. He has been a removalist during our classroom refurbishment last year and has assisted me personally in so many different ways; a lot of them not much fun. He has also assisted in Gowan Brae each week with a number of Boarding duties.

Ben is a young man with great character and a wonderful work ethic. He has built fantastic relationships with the staff and especially the boys. We will all miss him, and wish him well as he heads back to England to commence his Business degree. As a parent who has had two daughters go and do Gap years in boarding schools, I know his family will be very pleased to see him next week.

Thank you Ben!
Bledisloe Cup

The King’s School Rugby Club has kindly secured and donated the Prep School with 50 student passes to the Bledisloe Cup on Saturday, 8th August, 2015. We will be taking boys in Year 3 and 4, along with School staff to supervise. The boys will receive a Wallaby hat and scarf at the match and all transport will be provided by the School.

Our sincere thanks to The King’s School Rugby Club; what a special opportunity for our Year 3-4 boys!

Camp Australia

The After School Care service we offer our parents is run by Camp Australia. Camp Australia is committed to providing the school community with a high quality, compliant, well resourced, sustainable and accessible service. They recently wrote to parents advising of a small increase in fees. The proposed fees are a result of a detailed annual fee review process that includes amongst other things the cost implications of:

- Increased award wages and on costs
- Increased cost of resources, food and other in-program consumables
- Increased costs associated with higher staffing qualifications required of the National Quality Framework
- Variations in attendance patterns and behaviours

The proposed fees for The King’s School are as follows:

- **Out of Pocket** After Care $8.68 to $15.04
- **Opening Hours** 3:00 pm to 6:45 pm

*Refers to cost to parents after government rebates.

**The Child Care Rebate is NOT income tested.** It pays up to 50% of out of pocket costs. Up to $7,500 per child, per year. For more information on what you are entitled to and how to claim, you can contact the Family Assistance Office on 136150.

As nearly all families who use the program are able to receive the Child Care Rebate, out of pocket costs will increase by a maximum of $1.08 per child per session.

Term Three

Term Three commences for the boys on Tuesday 14th July, with Monday being a staff Professional Development day. After school Winter Sport practices commence on this day.

Greg Blackman
Deputy Head of Prep
Social and Emotional Learning – Evidence Based Policy and Practice

Without social and emotional wellbeing, our boys will not succeed academically. In fact they won’t succeed in much at all.

There is significant global research available to us that provides evidenced based directions. As an educator committed to the whole child, this data is very helpful. Along with intuitive practice and the development of cooperative school/family relationships, I believe that we are best setting our boys up for success with this area strategically in mind.

The School climate plays a significant role in the development and application of social and emotional wellbeing and a flourishing student. A systematic whole school approach best achieves these outcomes. As Director of Students I chair the Wellbeing and Pastoral Care Committee with the Housemasters, Mrs Jo Grinham, Mr Charlie Lavender, Mr Chris Xegas and Mr David Guild. Here we engage in strategic planning to promote the values of the School, Positive Education principles, the attributes of the Learner Profile, resilience, social action, and Christian character. We are also fortunate to be able to link in to the specialised services of our Prep School Counsellor, Mrs Rosemary Hawke, our Chaplain, Rev Stephen Edwards, the ESS department, as well as the Executive and teaching staff.

Casel (2013), defines social and emotional learning as processes through which children and adults acquire and effectively apply the knowledge, attitudes and skills necessary to understand and manage emotions, set and achieve positive goals, feel and show empathy for others, establish and maintain positive relationships, and make responsible decisions.

Meeting with boys to reflect on their behaviours is authentic ‘at the time teaching’. Of critical importance is the opportunity for boys to reflect on their behaviour choices and be accountable for them. This process ensures growth in the SEL domains. Significant time is invested in this process and tribute is paid to the energies and commitment of the Housemasters and Class Teachers as leaders in this area.

It is important that educational policy embeds the SEL aspects into the academic framework. Caring, empathy, and social cohesion are essential for quality character development. At The King’s School we are committed to this area in line with our values of Respect, Responsibility, Integrity, Excellence, Sustainability and Balance.

Further to this, at The Prep we harness the attributes of the IB Learner Profile within our curriculum framework. This is a long term vision of education that enables powerful and contextualised learning, with students evaluating their own progress as they strive to be inquirers, knowledgeable, thinkers, communicators, principled, open-minded, caring, risk-takers, balanced, and reflective.

The competencies of self-awareness, social awareness, self-management, decision making for pro-social behaviours, and relationship skills contribute to all round development, academic progress and resilience.
The harnessing and development of resilience, ie. the ability to recover from adversity and move on, is high on our agenda in the engagement and pastoral care of our boys. In order to promote resilience, a team approach is imperative. We are very able and available to work with families in this area and have had significant success in assisting parents to both model and facilitate resilience for their boys. It is imperative that parents report issues of concern at the time they arise and that they demonstrate pro-social competencies in the resolution of issues. Young eyes are watching adults and gleaning patterns of behaviour that will likely form lifelong responses.

It is our goal to facilitate social and emotional wellbeing in partnership with families. This requires explicit, consistent and systematic delivery of common goals embedded in curriculum and daily practice. This is an exciting and essential journey. I am happy to meet and speak with parents who have any concerns.

Belinda Baxter

Director of Learning – Learning for Parents

Thank you to those parents who attended the information evening held on Wednesday, 10 June, which was about our new written report format. This was a great opportunity to share our vision with the school community and to gain feedback on our changes.

Following this successful evening, I would like to hold some further information sessions for parents. Some of the ideas for these sessions were raised at our report information evening.

Workshops for Parents in Term Three

**iLearn for Parents**
Tuesday 21st July
7:45 – 8:30 am or 2:00 – 2:45 pm

**What is the PYP?**
Tuesday 28th July 2015 @ 6:00 pm

**Learning Resources @ King’s (Mathletics, Reading Eggs, etc.)**
Tuesday 8th September
7:45 – 8:30 am or 2:00 – 2:45 pm

*Please RSVP for any of these workshops by calling the Prep School Office (96838444) at least two weeks before the event.*

I look forward to seeing you at some of these workshops.

Rachel Johnston
Director of Learning/PYP Coordinator
rcj@kings.edu.au
Kingsbridge News

Using the Outdoor Environment as the Third Classroom

During the term, we have looked at a unit of inquiry entitled ‘How the world works’. This unit was driven by the boys’ wonderings, which led them on the following paths:

- Patterns in flowers and leaves
- The life cycle of frogs
- Seasons – changing tree colours and temperatures
- Farm animal habitats

On our bush walk around the Prep, we discovered that many leaves and flowers have different patterns and shapes. The boys examined the change in some leaves and wondered why all the trees do not lose their leaves. When we returned to Kingsbridge we created patterns.

The boys examined more closely what a flower looks like especially Camellias. This led their inquiry into looking at books about flowers and artwork using flowers, in particular, Andy Warhol’s flower pop art. The boys created a wonderful piece of artwork that showed the development of the pop art concept.

A frog appeared at Kingsbridge hence the next path in learning the boys took. This resulted in examining both fiction and non-fiction books about frogs, singing songs and exploring artwork on frogs. The boys were fascinated by how John Olsen captured frogs. They completed amazing drawings similar to his watercolours.

Finally, the boys went on their first, all day, excursion to Calmsley Farm. The boys enjoyed watching and touching the farm animals. Many boys were great risk-takers and ‘had a go’ at milking Jessie the cow. All the boys loved the tractor ride around the farm!
Year 1
Books Light Up Our World
Reading Challenge Launch

We had a fun, fun morning in the ILC with parents and boys, teachers and paint. We shared and laughed, we read and we painted, we even had our first tweet!!

We’re looking forward to beginning the Challenge at the beginning of Term 3. If you weren’t able to attend, your son would have bought home an overview of the morning and the Reading Challenge.

All updates via our ClassDojo log on issues will be broadcast to the class and available on iLearn.

Mrs Shelley McMorran
Teacher-Librarian.
Congratulations!

First Placed school at the Sydney Academy of Chess Interschool Chess Competition Local Heat

This was another outstanding effort, by a small section of the Chess Team, who represented the school last Tuesday. All boys played strongly and we managed to finish with four individual place trophies and first school trophy. Individual places Zachary Cheung 2nd, Darcy Elton 3rd, Narren Anandh 4th and Ryan Oschadleus 5th. This team of boys have now qualified for the semi-final which will be held in Term 3. Brian Carpenter and Noah Chadwick who played very well, will back up the two teams that have now qualified for the semi-final.

New South Wales Junior Chess League Competition

One round remains for the Chess Team in the Friday afternoon competition. Our D and F teams are leading their divisions. This is very exciting. The other teams are performing admirably and are just nipping at the heels of the leading teams. Your boys should have brought home the note with the dates of the fixtures. The note can also be found on iLearn.

Sydney Academy of Chess Coaching

Chess coaching continues next term for boys in Years One to Six. An enrolment form is attached to this newsletter. Boys can begin coaching next term even if they have not done so before. Infants’ coaching occurs in 2I each Thursday 7:45am-8:25am. Primary coaching occurs in 5P each Thursday 3:30pm – 4:30pm.

Parramatta Fun Day Tournament- 20th June

Once a month, The Sydney Academy of Chess conducts Fun Tournaments in Parramatta. Boys have found these events a useful way of beginning their competition journey and improving their rating. These competitions are not school events and boys do not wear their school uniform although I am sure they will always act like King’s men! The next tournament is on Saturday 20th June 1 pm. An enrolment form is attached at the end of this newsletter.

Holiday fun

There are many events for the boys to engage in over the upcoming holidays. The Sydney Academy of Chess conducts holiday workshops, chess camps and fun days. Full details and enrolment forms can be found on the website of the Sydney Academy. [www.sydneyacademyofchess.com.au](http://www.sydneyacademyofchess.com.au)

A summary of these events are:

**Burwood Chess Challenge** 30th June. If Burwood is not your closest centre, other events are held at the Central Coast and Northern Beaches.

**Workshops for beginners and Rookies** will be held at Parramatta on 6th July at Parramatta from 9:30am-1:00pm. **Workshops for Intermediates** will be held at Parramatta on 6th July at Parramatta from 2:00pm-5:30pm.

**A chess camp** at Parramatta is on 2nd and 3rd July 9:30am – 3:00pm. Again, if Parramatta is not your closest centre, they are also conducted at Central Coast, Hornsby, Inner West and Burwood.

**Home On-line Practice for Improving Skills:** The boys in the Chess Team have found this on-line site very useful in improving and developing strategies. If your son has some home days they may find this site extremely useful and be a productive use of screen time.

I wish to thank everyone for their support this term of the boys and myself. May you all enjoy a relaxing break.

Catherine Pearman
Chess Co-ordinator
cgp@kings.edu.au
Did you know that Church@Kings has two congregations?

Church@Kings meets in the Centre for Learning and Leadership (CLL) Auditorium every Sunday morning during term time at 9:30am. Church@TheChapel meets in The King’s School Chapel every Sunday evening at 6pm.

Church@TheChapel is a congregation for all ages. We have a mix of people from senior school age right through to “more senior” members of the congregation. We have university students, young workers and “not so young” workers. We also have a growing number of senior students from King’s and TARA, which has been fantastic to see!

Church@TheChapel is for all people because it is a warm, friendly and welcoming community. The service is contemporary in style and the music and singing is always excellent and uplifting. The preaching is always challenging whatever our age or stage.

We are grateful to God for the growth of Church@TheChapel and we would love to see it continue to grow. All are welcome to visit! Perhaps this school holiday period would be the perfect time to drop in for a visit.

Scott Tarrant
Church Minister

Dave Jensen
Pastor of Church@TheChapel
**Snowsport’s Social Evening**

It was a wonderful way to start the Snowsport season together on Saturday night, when our Snow family met at the In2Ski indoor ski centre at Alexandria. This new venue gave the boys the opportunity to experience what it is like to ski at various speeds and inclines, without the blizzards and cold air. The boys and their families thoroughly enjoyed the indoor ski centre and the boys very quickly remembered the feeling of trying their boots on again!

Big thanks to Headmaster Peter Allison who was happy and brave enough to be auctioned off during the night. He was a true champion and agreed to ski for the crowd. The boys loved seeing him in action and will try not to tell everybody about his little fall at the end.

Congratulations to Nick Batson, Liam Crowe and Dom Cooper from the Senior School on their announcements as captains of skiing, snowboarding and cross country for 2015. To Joshua Keepkie, a big congratulations for being announced as the captain of the Prep team. We know that these young Kingmen will be perfect leaders for our biggest team ever to hit the slopes.

To our generous parent and committee, we thank you for all your hard work and time. Our club is growing and it has become a special part of our school. It will be exciting (and scary) to see our 4 year old Pre Kindy’s skiing alongside our Year 12 boys. Now that will be a special photo!

---

**Jo Grinham and James Tyree**
THE KING'S SCHOOL

PREMIER TENNIS

NEW MULTI SPORT CAMP

All Kids Welcome (5-13 yrs old)!
Come and enjoy a wonderful camp environment full of FUN games & prizes!
We will be playing tennis, soccer, cricket, basketball & swimming.

When?
☐ 22nd - 26th June 2015
☐ 6th - 10th July 2015
☐ 21st - 25th September 2015
☐ 28th Sept - 2nd October 2015
☐ 7th - 11th December 2015
☐ 14th - 18th December 2015

Time: 9:00am - 3:00pm (extended stay 8am-5pm)
Price: $274 per camp / $249 for Early Birds
Location: The King’s School, North Parramatta, Senior School Tennis Courts
* Extended Stay = $210 per day / $115 for Early Birds
* Daily Price = $65 / $50 for Early Birds
* Early Bird Price ends on the FRIDAY before Camp begins

Please bring recess, lunch and an afternoon snack, as well as a water bottle, hat, sunscreen and clothing to play sport in (please bring swimmers in summer camps). In case of rain, the camp will be moved indoors to the senior school sports gym.

If you would like to receive your order sooner, please use the online payment option and select “Shipping”.

My child is in (tick a box):
- Years 1-2
- Years 3-6

Pay for four terms in advance and receive a free chess set or workbook 2 valued at $22. Offer expires 31st March, 2015.

(Please circle your choice)

Payment is due by the day of the first lesson. There will be no refunds for students who miss classes during the term.

Total amount paid: ____________________

Please send all forms and payments to Sydney Academy of Chess - the school will not be accepting them!

Method of payment [please note that cash payments will NOT be accepted]

- Online payment (preferred method)
  Pay online at https://sydneyacademyofchess.com.au/payment with your credit card. Enter the code: KEENA726QF for Years 1-2, or SADT46RPCS for Years 3-6, and fill in the electronic form, instead of this form.

- Direct deposit
  Sydney Academy of Chess
  BSB: 062 319  Account Number: 1036 9569 [Commonwealth Bank]
  In the transaction description, you must write the school code "KP", followed by the term/equipment code(s) and the child’s first initial and surname.
  Codes: Term 1 = 1, Term 2 = 2, Term 3 = 3, Term 4 = 4, Workbook 1 = 5, Workbook 2 = 6,
  Workbooks 1&2 = 56, Advanced Book = 7, Chess clock = 8, Chess set = 9
  For example, “KP1265JSmith” would be John Smith’s payment for terms 1 and 2, plus a payment for Workbook 2, and a chess set. If you pay by direct deposit, you must email a receipt and this permission form to enrol@sydneyacademyofchess.com.au

- Cheque
