**Cyberbullying**

It is important that children learn how to protect themselves online. This education needs to occur both within the School and at home. This week at King’s we marked E-Smart Week, where we have been examining how to operate safely online with the boys.

In assembly we looked at Cyberbullying. This was also followed up in Years 2-6 classes with further discussions on this topic. This form of bullying occurs when somebody uses technology to bully or hurt others. This might occur through sending a nasty text message or email, taking and sharing embarrassing photos and videos with other people, or pretending to be a different person online and doing something nasty to others.

Cyberbullying is treated very seriously at King’s and within the community. It is listed as a Level 3 action on our Prep School Behaviour Management Policy and carries consequences which include Friday after school detention, suspension or even expulsion from School.

Cyberbullying is against the law when it involves:

- Using the internet or a phone in a threatening, harassing or offensive way
- Threats or intimidation
- Stalking (including messaging someone to harm or scare them)
- Accessing internet accounts without permission
- Defamation (spreading lies to intentionally hurt someone’s reputation)
- Encouraging people to hurt themselves

Cyberbullying carries a maximum penalty of 3 years imprisonment.

The following information has been discussed with the boys to help them understand the measures to take if Cyberbullying happens to them:

1. Tell someone about it and ask for help. Don’t keep it to yourself.
2. Keep calm. Don’t respond to provocations by sending something nasty back.
3. Save all the evidence. Take photos or screen shots.
4. Let bullies know they are hurting you and ask them to stop.
5. Contact a teacher at School or the Police if the harassment hasn’t stopped.
6. If the bullying is happening on a social media site, contact the site host and report the problem.
7. Use the block feature on your instant messenger account to keep the bully from contacting you.

---

**THOUGHT FOR THE WEEK:** “The best and most beautiful things in this world cannot be seen or even heard, but must be felt with the heart.” Helen Keller
We also examined measures that could be taken to protect people from Cyberbullying:

1. Don’t post personal information online. This includes your name, address, phone number, school name, passwords, and any other information that would be used to try and contact you offline.
2. Be very cautious about posting any photos and videos. Ask others not to share your photos or videos with others.
3. Don’t believe everything you read online – people can pretend to be others online.
4. Don’t participate in online chain mail activities.
5. Never open messages from strangers.
6. Use the BCC field when forwarding messages. Keep others’ email addresses private.
7. Regularly change and use different passwords.

It would be very beneficial if parents could also discuss these aspects with the boys at home over the coming weeks and examine online safety at home.

Professional Learning with Fellow Regional Schools
Professional learning opportunities are important for teachers to grow in their understanding and development of their practice. On Wednesday, the King’s Prep School hosted 250 teachers from Abbotsleigh, Arden Anglican School, Barker College, Knox Grammar and Tara Anglican School for Girls.

The afternoon began with a presentation by social researcher and author, Mark McCrindle, who shared about research on Generation Z (born between 1995 and 2009) and Geneation Alpha, who are our Pre-K and Kindergarteners of today. His research included information for teachers on how to engage students who are the first fully global generation, shaped in the 21st century, connected through digital devices and engaged through social media.

The second session saw 15 different workshops in operation around the Prep precinct examining a range of educational issues focused on refining teacher understanding and practice.

Following these sessions, the group enjoyed a meal together in the Trophy Room at King’s. This allowed for valuable networking time with colleagues teaching in similar stage and subject areas across the six schools.

Art Show and Spring Festival
The recent Art Show and Spring Festival was a huge success thanks to the commitment, enthusiasm and team work involved from our wonderful parent volunteers and student representatives. Numerous shifts were filled over the weekend to cover the myriad of activities that occur across this major event for the School. In my experience of 16 Art Shows, this was by far the biggest! Blessed with glorious sunshine for the whole weekend, the Sydney crowds flocked to our site to enjoy everything that was on offer.

I’m very happy to announce that the event has also managed to raise over $100,000 which will go towards the building of the Prep Pavilion, planned to start in the next fortnight. In addition to assisting developments at King’s, the event raised $14,500 for the Thomas Kelly Youth Foundation. Again, I pass on my sincere thanks to the wonderful Prep School community for the devotion of your time and talents to the raising of funds for outstanding resources for our boys and to the enhancing of our school community.

Grandparents’ Day
Our boys love it when family members are involved in their life at School. This week, it was the turn of our grandparents and grandfriends to join with us at King’s to celebrate the beautiful bond that exists between the two parties. The event included special presentations from the boys, an address from the Head of the Prep, tours of classrooms, finishing with a family picnic in the grounds.
**Outdoor Movie Evening – Saturday 24 October – Save the date!**
A great evening of fun has been organised by the Fathers’ Association for Saturday 24 October with an outdoor cinema to be erected on Price 5. Families are encouraged to come along with a picnic rug or deck chairs, a hamper of food and drinks, and enjoy the screening of a popular recently released movie. There will be an opportunity to order food in advance from the canteen. More details will go to families next term, but in the meantime, I encourage you to record the date in your diaries.

**Service Leave Announcement**
Our Science specialist teacher, Mr Jonathon Ollis, will be taking long service leave in Term 4. Miss Jessica Conroy will be taking over this role in the final term of 2015, working with class teachers in the delivery of the Science curriculum. Miss Conroy is a trained primary school teacher who also holds a Bachelor of Science degree from UTS.

**IPSHA Athletics**
Seven TKS Prep boys made IPSHA Athletics team. Congratulations to them all.

PREP NEWSLETTER ISSUE 15 – 11TH SEPTEMBER, 2015
**End of Term Three Arrangements**

Term Three concludes on **Thursday 17th September**. As is the common practice at the end of term, we will have a staggered end to the day to assist with congestion at the Turning Circle. There are **no After School Activities** on this day and **all boys need to be picked up by 3:30pm**.

Boys who require picking up after 3:30pm will need to be collected from After School Care, housed in the building adjacent to the pool. Please contact Camp Australia if you require further information (1300 105 343 or [www.campaustralia.com.au](http://www.campaustralia.com.au))

All bus boys are to catch their normal early bus services departing soon after 3:30pm.

**NO LATE BUS SERVICES ARE AVAILABLE.**

To ease congestion in the Turning Circle, we will need to have a slightly earlier pick-up time. The following arrangements will be in place:

- Boys in the Year Groups listed below will be picked-up **from the Turning Circle**.
  - Kindy - 2:45pm
  - Year 1 - 2:50pm
  - Year 2 - 2:55pm
  - Year 5 - 3:00pm
  - Year 6 - 3:10pm
- Parents of boys in **Years 3 & 4** will need to park their cars in the Gatehouse Driveway and **walk to the classrooms** to collect their sons at 3:10pm.
- Boys in Pre-Kindergarten will need to be collected from Kingsbridge by 2:30 pm

Extra caution and patience will be required in the Turning Circle with so many students leaving within this pickup period.

**Beginning of Term 4**

Here is a final reminder about the arrangements for the beginning of Term 4. These arrangements have been published in the last two newsletters.

Every two years, The King’s School hosts the National Boys’ Education Conference. This year’s theme, “Inspiring Boys to Learn”, brings together both internationally and nationally acclaimed speakers on the topic of boys’ wellbeing, character education, and the importance of relationships towards boys’ engagement and success as learners.

The conference commences on the afternoon of Monday 5th October and continues on Tuesday 6th and Wednesday 7th October. All of The King’s School teaching staff attends the conference on Tuesday and until 10:30 on the Wednesday.

I would like to give advance notice that on the first day of Term 4, Wednesday 7th October, the Prep School will **not commence until 10:50 am**. We ask parents to make arrangements so that their son does not arrive at school before 10:30 am. If however, you are unable to make alternate arrangements, we have organised Camp Australia, our After School Care service, to offer care for those boys at no cost to parents. This service will be available from 7:45 am to 10:45 am, at which time the Prep teaching staff will commence duties.

More information about this morning, including notifying us if your son will use the Camp Australia care, will be provided next week.

Parents and friends are welcome to attend the conference and more details, including registration, may be found at: [http://nbec.kings.edu.au/](http://nbec.kings.edu.au/)

The Year 1 Reading Challenge has finished.

Thank you to all of our delicious Year 1 families who are supporting the boys in their quest to not only be the best readers in the Prep School … not even the best readers in The King’s School, but the best readers in Australia!

The Year 1 boys read a combined total of 2293 books over 7 weeks!!!

That’s an AMAZING effort 😊

Congratulations to all our Year 1 Reading Superstars.

The Year 5 Readers’ Cup was a tightly contested event, held in the ILC on Friday 21 August.

This was a term long commitment by our Year 5 boys.

Congratulations to Team Cockroach Pharaoh for winning the title of Supreme Reading Champions for 2015.
Team Cockroach Pharaohs.

Sam Baker, Matthew Huynh, Max Morgan and Richard Quach on their way to victory in the Readers' Cup Quiz.

The Premier's Reading Challenge has concluded. 73 Preparatory boys completed the Challenge.

Certificates are printed and sent to the school towards the end of the academic year. In the meantime, we have been celebrating each boy’s achievement.

Congratulations to all boys who completed the Challenge.

And last, but not least ....

Parent Helpers

Thank you to those parents who have volunteered to help with book covering. Your help is much appreciated.

We are looking to increase our team of parents to **cover library books** for us. You can choose to do this at home, or perhaps come in with some friends and spend a morning here, in the ILC. All training and materials provided... along with biscuits and cups of tea 😊.

Just think how much easier the start of the year will be. Contact, book covering ... no worries. You’ve got it covered. 🤔

If you’d like to help, please email me, or drop in to the ILC and let us know.

Kind regards,
Shelley McMorrnan
Every year, across Australia, thousands of volunteers hit the streets during Legacy Week. Their mission is to raise much-needed funds to support the families of service personnel who have been killed or wounded. This continues the terrific work of Legacy that started way back in 1923.

The original idea for Legacy was born after World War One, and today, it still provides the same vital service to the needy families of veterans. Legacy currently supports approximately 90,000 widows and 1,900 children all around the country. Legacy assists these families of our veterans in many different ways, including grief counselling, educational support, financial relief, home maintenance, and even 40,000 house calls made to elderly widows every year. Of course there are many other services that Legacy provides as well.

The team at Legacy go to incredible lengths to serve the families of our wounded and our dead, and along with raising money for the various Legacy support programs, Legacy also provides mentors for Australian children orphaned by war.

Last Thursday night, I volunteered to help Legacy in its annual fund-raising efforts. Together with my brother, Lachlan, I spent the evening at Castle Towers Shopping Centre selling Legacy badges and other items. Through the generosity of those in our community who were out shopping that night, I was thrilled that we were able to raise almost $1000. It was wonderful to hear, from those who contributed, that the work of Legacy has helped so many over the years. In addition, I sold items to support Legacy at school.

We should all honour the sacrifices of our fallen soldiers by taking the time to reflect on what they have done for us, and just as importantly, by remembering to take care of the families they left behind. By spreading the word about the terrific work done by Legacy and by getting behind the fund-raising efforts of those out and about selling badges and wrist-bands, we can acknowledge that the freedom we enjoy in our great country came as a result of the ultimate price paid by our servicemen and women in all wars.

Nicholas Horne: Preparatory School Captain, 6M and member of Stiles House.

"For each serving Australian who risks everything - a family does the same." - Legacy Australia

Year One hit the road to investigate some great jobs!

As a part of our most recent Unit of Inquiry, Year One had an amazing day exploring Mr Grinham’s work @ the showroom at Trivett in Alexandria and then heading into the city to visit Luke Dean @ ADAD advertising company.

At Trivett the boys and the ‘big boy dads’, were in awe of the super fast cars and workshop. They had an opportunity to ask various employees about their job and what they were responsible of doing when they came to work. The sound of the engine of the Harley Davidson made the boys jump and then the squeals of delight when they got to see the new McLaren was exciting and memorable.

After leaving with their pocket money still in their pockets, the boys were then treated to an amazing experience with Toby’s Dad at ADAD. Beginning with a tour of the open planned office, the boys spent time exploring the sound room, seeing the graphic specialist in action and finally then creating an ad using the green room. The final product is unbelievable and a wonderful memory for the boys to have.

During the day, our Year One Dads shared information of their own jobs with the group and together we all had a very special day.

Big thank you to Luke Dean and Dave Grinham for making the day possible for our boys.

Announcing the King’s School Preparatory School Chess Championship

Each year the School conducts a competition to identify the chess champion in each year level (Year 1-6) and the ultimate School Champion.

This year the Chess Championship will be held on Monday 19th October (Term 4 Week 3).

Bevan Clouston, from The Sydney Academy of Chess, will be the Arbiter for us on this day.

The tournament will be run as a Swiss tournament, with each boy playing 7 games.

This means that all boys play in each of the rounds and no one is knocked out.

There will be trophies for overall 1st Place - 3rd Place, and there will be medals for Champion and Runner-up in each year group (Years 1-6). The School Chess Champion will also receive a trophy on Presentation Day.

Any boy in Years 1-6 can enter this competition, he does not need to be a member of the Chess Team or have received coaching at the school. As this is a competition, understanding of the normal rules of chess will be a prerequisite.

Individual Music tuition will not occur on this day for these boys.

If you would like your son to participate in this competition, please complete the enrolment form, which can be found at the end of this newsletter, and send payment of $22 as per the instructions on the form to the Sydney Academy of Chess.

On the day of the competition, boys will go to their classroom, have their name marked present on the roll, and then meet Mrs Pearman in Horrocks Hall for the day’s play. The boys will have morning tea and lunch as normal. I look forward to seeing many boys enter this competition.

Term 4 Coaching
The enrolment form for Term 4 coaching is also included in this newsletter. I encourage new players to join up. Participation in the previous term’s coaching is not a prerequisite.
