

THE KING'S SCHOOL

SCHOOL TRANSPORT HANDBOOK

The King's School is located in the demographic centre of Sydney and is adjacent to significant transport links to the Sydney CBD, Sydney airport, the Greater Sydney Basin, the North and Central coasts, the southern highlands, the Blue Mountains and western New South Wales.

By Car: The King's School is located on Pennant Hills Road North Parramatta, a major arterial road linking Parramatta and the North. M2, M4 and M7 motorways and James Ruse Drive are all close to the School

By Rail: Parramatta, Epping and Carlingford Stations are a short bus trip to the School.

Parramatta Station and its transport hub are a major focus for transport to the School via a regular bus service (624). Similarly Epping Station links to the School with regular bus services. Carlingford Station is the terminus for a less frequent service.

By Bus: Buses service the major areas in which School families reside. There are a number of specific services provided by both bus companies and the School detailed in this booklet.

For all enquiries about transport to and from the School please contact the School Transport Officer and General Duties Master, Mr Max Yates on 9683 8411 or mgy@kings.edu.au
