Some of the information we collect is to satisfy the School’s legal obligations, particularly to enable the School to discharge its duty of care.

Certain laws governing or relating to the operation of schools require that certain information is collected. These include Public Health laws.

Health information about pupils is sensitive information within the terms of the National Privacy Principles under the Privacy Act. We ask you to provide medical reports about pupils from time to time.

However, there will be occasions when access is denied. Such occasions would include where access would have an unreasonable impact on the privacy of others, where access may result in a breach of the School’s duty of care to the pupil, or where pupils have provided information in confidence.

As you may know the School from time to time engages in fundraising activities. Information received from you may be used to make an appeal to you.
