December 2008

Dear Parents and Friends of The King’s School

It is my privilege and pleasure as Chairman of The King’s School Council, to record that 2008 has been a good year for the School.

The academic focus remains strong, with the School moving to an additional Scholars’ Class in each Year group, an initiative which will be phased in over the next five years. With more scholarships and bursaries being offered by the School, and with the many further initiatives to improve teaching and learning, the academic ethos of The King’s School continues to grow.

The academic improvement has not been achieved at the expense of traditional areas of strength within the School. There has been a commendable growth in the standard of musicianship both in the Preparatory School and in the Senior School. In addition, the musical Oliver, and the plays Venetian Twins and Ross, performed to packed houses. Small wonder, given the quality of the productions. In sport, The King’s School has also performed well with wins in the GPS Rugby, Cross Country and Senior Athletics competitions.

The Council of The King’s School has been engaged in a review of the School’s assets and how best to use them. It has also been actively involved in forging closer links with Tudor House, which is also owned by the Council of The King’s School. Other initiatives in 2008 have included planning a new Drama Centre and Art Building, refurbishment of the White Oval, and the implementation of a School-wide water conservation plan.

The King’s School will begin 2009 with record enrolments and in a sound financial state. This noted, Council is well aware of the very real financial difficulty in which a number of families find themselves in, and with this in mind, fee increases for 2009 have been kept to a minimum.

The fee increase for boarding for 2009 will be in line with CPI, i.e. 4.5%. Council would have liked to have kept tuition fees at this figure as well, but the School has incurred some extra costs in having to fund a new Collective Agreement for the payment of teachers, and this has required us to set tuition fees at 6.25% above the 2008 figure.

In closing, I acknowledge with gratitude the leadership of our Headmaster, Dr Tim Hawkes, his Executive and all staff at The King’s School, and the devotion shown by the Council in the governance of The King’s School throughout 2008.

May you and those you love have a very happy and holy Christmas.

Yours sincerely

The Rev. Martin Robinson
Chairman
Council of The King’s School

3  BILLING OPTIONS

(a) Termly Billing

A fees statement will be sent for the ensuing term approximately two weeks prior to the term starting for School fees and disbursements. This account can be paid either by cheque, credit card (Mastercard, Visa or American Express), BPay or Direct Debit (cheque or savings account).

The telephone number to call for payment by credit card is 1300 302 192. Please refer to the reverse side of your fees statement for further details. Please also note that if you wish to pay by credit card you will be charged a 2% surcharge to cover the merchant fees and handling.

If you are paying by credit card using telephone banking please ensure that you are careful to use the reference number applicable to your payment selection located on the tear-off portion of the Fees Statement. This is important for the School’s accounting system to determine whether a voluntary donation to the Foundation Building Fund has been included in the payment.

The School Council is appreciative of the great majority of parents paying their son’s fees by the first day of each term. However, it has also requested that attention be drawn to that requirement where parents are paying fees on a termly basis as a small number of parents are regularly failing to meet that obligation.

It should be noted that as a result of that failure the School incurs costs and suffers losses. Therefore, a default charge of $250 per month will be charged to all overdue accounts.

(b) Monthly Direct Debit Billing

This scheme is available either from the commencement of Term 1 or Term 3.

School fees will be debited to your nominated cheque account, savings account or credit card (a 2% surcharge will apply) in ten instalments on the 25th of the month from February to November. Any disbursements will be added to the first direct debit instalment to be deducted in each new term.

Parents will receive a fees statement at least 10 days prior to the date of the next debit to their account. Please note a $30 charge will be made for any Direct Debits that are dishonoured.

Please note that your intention to participate or withdraw from this scheme must be advised one month prior to Term 1 or Term 3.

Full Fee Paying Overseas Families are ineligible to participate in this scheme.
BILLING OPTIONS (continued)

Parents who wish to pay fees by Direct Debit either termly or monthly should complete the Direct Debit Request form (download from the School’s website) and return them to the Bursar’s Office no later than 5 January 2009.

If parents are currently using the Direct Debit option of their choice they need NOT fill out these forms again, unless they wish to pay the current Termly Giving Foundation Building Fund amount of $175 per term.

Parents in the scheme of paying by ten monthly instalments can only join that method of payment either at the beginning of Term 1 (returning the forms to the School by 5 January 2009), or at the end of Term 2 (returning forms to the School by 3 July 2009).

If you are currently in the ten instalments Direct Debit system and want to cancel out of that method of payment, please ensure that the School is advised by 5 January 2009.

(Parents wishing to include a voluntary contribution to the Foundation Building Fund in their Direct Debit payment should complete this section of the Direct Debit Request form.).

Direct Debit Request forms can be downloaded from the School’s website:

(c) Overseas Students–Payment Of Fees, Additional Fees And Disbursements

Fees payable for overseas students must be paid a semester (two terms) in advance. Disbursements are payable termly.

Parents of full fee paying overseas students are reminded that, in addition to the payment of tuition fees and boarding fees if applicable, they are also required to pay a sum which represents the levels of both Commonwealth and State recurrent funding for the year and certain other income items, which the School does not receive for overseas students.

In 2009 these payments will amount to:

Fees accounts for each semester will include one half of the amounts shown above.

For all students presenting for the NSW Higher School Certificate examination and who are neither an Australian citizen nor a permanent resident of Australia the NSW Board of Studies levies a fee to cover the cost of administration and marking. In 2009 this fee will be $874 (includes GST). The fee applies regardless of the year of enrolment at the School. It will be paid by the School at the time the examination entry form is lodged with the Department of Education and will be subsequently billed on the fees account.
4 WITHDRAWAL AND CHANGE OF STATUS
The attention of parents is drawn to the following matters.

(a) Withdrawal of a Boy
It is important that parents observe the conditions relating to the removal of a boy from the School prior to the completion of his schooling. A full term's notice to the Headmaster is required, the notice to be received no later than the first day of the school term at the end of which the notice expires. In special circumstances, the Council may vary the period of notice, otherwise a term's fees (tuition and boarding as applicable) will be payable.

(b) Change of Status
The School has a more flexible approach to boarding places. Weekly boarding is available together with access to boarding places for boys at all levels.

Generally, the School expects that a boy entering as a boarder will remain as such for the duration of his time at the School. However, if a parent wishes to enquire about a change of status for a boy, the School will be prepared to consider it. A full term's notice of the request should be given to the Headmaster or Registrar.

5 EXTRA SUBJECTS

(a) Music
The School encourages boys to participate in music at the School. To facilitate this the fees for 2009 have been reviewed as follows:

Senior School (per 25 min lesson)

Small Group $18

Please note that where 50 minute lessons are given the charge will be for two lessons.

Preparatory School (per 30 min lesson)
Individual Tuition $43
Small Group $21

Music fees will be charged at the end of each term based on the number of lessons taken during the term. Boys are expected to attend all lessons at their allocated time unless there is good reason for absence. If you wish your son to cease lessons at any time, four weeks notice in writing must be given to the Director of Music by post or email (BNW@kings.edu.au). For enquiries please contact the Director of Music on telephone (02) 9683 8551.

Where notice is not given fees will be charged in lieu of notice.

The School Council does not endorse this firm nor its products and merely provides you with this information to assist you to obtain relevant information to enable you to make an informed decision in such matters. This is not the only source of advice that you can utilise and you should also speak to your usual insurance adviser.

11  TOWN AND COUNTRY SUPPORT FUND
During the latter half of 1994 the School Council and the Foundation jointly established the above Fund to meet a pressing need to be able to offer short term financial assistance by way of bursaries to those parents adversely affected by the abnormal weather conditions and recession.

Applications and individual awards will be entirely confidential, assessed and made by a small sub-committee chaired by the Headmaster and reporting to the Council's Honorary Treasurer. Bursaries will be awarded for one year only and advice of the awards will be given to parents as early as possible. The confidentiality of Bursarial awards is requested.

During 2007 the School Council and Foundation agreed that the eligibility criteria for boys able to receive support from this Fund be broadened to include boys not already enrolled but who have a traditional link with the School e.g. siblings of current or Old Boys, sons of Old Boys and boys enrolling from Tudor House.

The limited funds remaining only make it possible to offer limited assistance to parents who remain seriously affected by abnormal weather conditions or recession. Parents who wish to be considered for a Town and Country Support Fund Bursary should contact the Deputy Bursar on telephone (02) 9683 8448 to obtain the appropriate forms which will be required to be completed to enable consideration of the bursary application.

12  INSURANCE

Sickness, Property and Personal Effects – Parent/Student

The School has no scheme for these forms of insurance to benefit parents or students. The Council considers that it is the responsibility of parents to arrange medical and property cover if such is required. Insurance companies or brokers can generally advise on the most appropriate way to arrange the cover required. Some private health insurance funds offer limited cover for school injuries costs.

It is recommended strongly that valuable items such as musical instruments or computers carry suitable insurance cover.
Injury – Student Accident
Insurance cover is in place at no separate cost to parents which provides significant compensation in the case of major injury. Details of the cover are attached to this advice. Upon reviewing the attached, should parents believe additional cover is needed they should contact their personal insurance advisor.

13 PARENTS AND/OR STUDENTS GENERAL COMPLAINTS AND GRIEVANCES RESOLUTION PROCEDURE

The School has in place a Procedure to deal with complaints and grievances of a general nature that may be held by parents and/or students.

The School recognises that parents and/or students may have a complaint or grievance over a School related issue and through that Procedure the School is providing a mechanism by which parents and/or students can seek to have that complaint or grievance addressed. An outcome of the procedure may be that the complaint or grievance is found to be groundless.

The Procedure is not intended to be overly prescriptive nor impose unreasonable time limits upon any party. It does seek to raise parents and/or students awareness that the School acknowledges that such issues do arise from time to time and the procedures describe the arrangements that should be observed in order to assist parents and/or students to resolve them.

The School will seek to ensure that any complaint or grievance is resolved at the earliest opportunity and in a timely manner. However reasonable periods of time must be allowed for discussion at each level of the Procedure.

A copy of the Procedure can be obtained from the Deputy Bursar (kjlee@kings.edu.au or telephone 9683 8401).

14 PRIVACY LEGISLATION

Parents may be aware of legislation relating to the handling of information the School holds. Attached to this document is a “Collection Statement” that provides you with a summary of the School’s position.
