## Message From Key Bodies

2020 has been an extraordinary year. Despite drought, fire, death and pestilence, the School has finished the year stronger. If it wasn't for the continual reminder of COVID-19, one would be forgiven to think of 2020 at The King's School as one of the best yet. The response of the School to the pandemic by staff, students and families has been exemplary and I wish to express my sincere thanks and praise to all of those in our community who have contributed to such a challenging year.

Congratulations to the Class of 2020 who achieved outstanding HSC results. I was particularly impressed and humbled by the way in which our students helped and supported each other throughout the year, encouraging each other to give of their best at all times. Through teamwork, resilience, hard work and dedication they were able to achieve one of the most exceptional sets of academic results in the School's history. Highlights include Alexander Lin and Jun Yin achieving a perfect ATAR of 99.95. Five boys were named in the Top Achievers' list representing 6 State Rankings and 140 boys were recognised as Distinguished Achievers. What was particularly pleasing was the breadth of achievement across all faculties in the School – it was a genuine team effort. Well done!

Mr Tony George *Headmaster*

In 2020, The Council of The King's School met nine times and the Council Executive Committee met eight times to oversee the governance of the matters of the School. There were an additional 33 meetings of the various sub-committees of Council and 14 meetings of the School Executive. The School met the significant challenges presented by the COVID-19 pandemic and ensured the care of students, staff and the School Community remained paramount. The Council is responsible for policy, strategy, risk management and the financial management of the School, including the setting of fees. The day to day running of the School is delegated to the Headmaster. The Council is made up of 16 Governors, 11 appointed by the Anglican Church Diocese and five appointed by The King's School Old Boys' Union. Those members are:

The Most Reverend Dr G Davies (President), Mrs R A Abrahams (Chairman of Council), The Venerable K P Allen (Retired Dec 2020), Mr M D Bradford, Mr K M Chapman, Mr R A Davis (Retired Oct 2020), Mr P P Harvey, Mr E J Lloyd (Joined Oct 2020), Reverend E A Loane, Mr R J R Long (Joined Oct 2020), Mr A E D Mobbs, Reverend Canon B H Morrison (Retired Oct 2020), The Reverend M B Robinson, Mr M D Turner, The Reverend J C B Warren (Joined Oct 2020), Mr M J Webeck, Mr R K Weekes (Retired Oct 2020), Mr P J K O Whittington

Mrs Rosemary Abrahams *Chairman of Council*

We're a school of terracotta poles, a red stripe down our pants. We're a crest, a shield and a crown. The King's School. We have fun, we have banter, but we know where to draw the line. We have grit. We stick our teeth in, we pick our mates up.

A school whose teachers get up early and stay up late. They don't have to, but they do. We stand up when someone enters the room, we look someone in the eye and when we are able to, we give them a firm handshake. We're a school that looks out for the community. Not just our own, but the wider one as well. As our founder said in 1831, 'the education received in The King's School is not for the exclusive benefit upon those whom it has been bestowed, but for that of the entire community'. We serve, we give generously. We strive to make this world better.

Rupert Douglass *Senior School Captain 2020*

To say this year has been different to all others is a total understatement! We could recall the changes and challenges encountered. However, I'd like to focus on celebrating a year where we persevered and made the most of what was in front of us and got on with it. We have, as our King's Boy Creed says 'tried our best at all times', no matter the obstacles that stood in our way. We all need to look back on 2020 as a year that didn't stop us, we have continued to learn, strengthened friendships, found new ways to stay connected with each other and I think that we have truly embodied the Kingsman spirit that means we stick together and see things through – bravely and faithfully.

Hugo Wallace *Preparatory School Captain 2020*

My favourite Tudor House student characteristic is resilience. We are encouraged to try our best at everything and never give up, we should keep trying and remember to apply this to everything we do.

Niamh Walsh *Tudor House School Captain 2020*

As Year 6 drive through those gates for the last time as Tudorians, I know that I will be very thankful for the opportunities that we have all been given, but most importantly, I will be thankful for the relationships that I have made since being here.

Rupert Tait *Tudor House Dux 2020*

## Initiatives Promoting Respect & Responsibility

The 2020 Student Representative Council (SRC) coordinated another successful food stall at the annual swimming carnival in February, raising funds for service-learning trips to help out with regional properties damaged by the bushfires, and for The King's School in Bangladesh helping create a better future for young people overseas. The SRC also supported numerous charities and events throughout 2020, including Anti-Bullying Day, International Women's Day, National Volunteer Week and the Stand Tall Event in June, helping to build hope in the youth of Australia.

In November, the SRC promoted and celebrated awareness for our environment. In particular, the SRC hosted a 'Think Green' Day, encouraging students and staff to support the newly created recycling initiative at the school by shining a spotlight on the transition from disposable to reusable cups, in an attempt to reduce and potentially eliminate plastic material from the School. 'For the Boys'.

Vedang Tiwary & Angus Williams *SRC Presidents 2020*

Character development is central to all we do at King's as we learn how to interrelate with humility, respect and integrity. Our Social and Emotional Learning Program explicitly examines our School Values and utilises House Meetings, Chapel Services, Assemblies, Monday Messages and in-class experiences to promote an understanding of the values and how these are evidenced in daily life inside and outside of the School. In 2020, at a time when global circumstances forced a more introspective approach to life, the role of values in action through service remained pivotal. This was evidenced through fundraising activities to support our four sponsor children through Compassion Australia and partnering with Convoy of Hope to plant and nurture seedlings for the bushfire ravaged township of Lake Conjola. It was also very apparent in caring for our own community as the boys demonstrated sensitivity, empathy, support and encouragement for those peers and families experiencing grief and hardship.

Mr Peter Allison *Head of the Preparatory School*

Our School Values, are woven as a thread through day-to-day life and provide a focus for Colour Families, Chapel, Assemblies and the Tudor House Action Group meetings (with class representatives from Years 1-6). These values enable members of the Tudor House community to be a blessing to others, as the most excellent version of themselves. During the pandemic, at Tudor House we've been able to find the beauty in the imperfect, impermanent and incomplete, recognising the good in our daily lives, focusing on how things are, rather than how they should be. We should never underestimate the skills we have to solve a problem. Through service actions we raised money for CanTeen, Care Flight and Jeans for Genes Day. We collected food for disadvantaged families at Christmas. We participated in 'Bullying: No Way!' as part of our ongoing emphasis on the importance of respect and responsibility within our School Community.

Mrs Anni Sandwell *Head of Tudor House*
