SIBLING DISCOUNT

Sibling concessions are calculated on the number of children from the same household who are attending either the Tudor House or North Parramatta Campuses of The King's School at the same time. Concessions are calculated based on the number of siblings in the one family and where the fees are being paid by the same fee-payer. Sibling concessions do not apply to a child holding a Scholarship or any other form of remission but usually do apply to his or her brothers and sisters.

DISCOUNT ON	AMOUNT
Tuition Fees	15% for second child
	25% for third and subsequent children
Boarding Fees	15% for second child
	30% for third and subsequent children

ANNUAL GIVING

To assist with continuing to improve the School's infrastructure, and reduce fee increases, we request families make a regular contribution to the School's Building Trust and Scholarship Trust. The suggested amount is \$235 per term or \$940 per year. These contributions are gratefully received and improve the facilities provided to students. Donations may be tax-deductible - please contact the Finance Office for further information and assistance.

PAYMENT OF FEES, ADDITIONAL FEES AND DISBURSEMENTS

Fees payable for international students must be paid a semester (two terms) in advance. Disbursements are to be paid each term. Unless otherwise requested via the completion of the Direct Debit Request Form & Service Agreement available at www.kings.edu.au/fees-accounts.

The King's School will issue invoices for termly payment of fees. All fees are shown and billed in Australian dollars only. For security reasons, the School does not accept cash for payment of fees.

Online fees and account payments can be made via The King's School website at: <https://payment.kings.edu.au>. A credit card surcharge applies based on the fees the School is charged. Payments made via BPAY receive no additional charge.

LATE PAYMENT OF FEES

Fees are due and payable as and when instalments fall due. The Council appreciates that the great majority of parents comply with these payment terms.

A student will not be able to commence a new term whilst fees remain outstanding, and students will not be permitted to participate in any discretionary activity offered by the School.

A default charge of \$250 per term will be applied to fees not paid within 21 days of rendering the account. This amount reflects the administrative and financial costs of collecting outstanding fees and charges and represents a genuine pre-estimate by the School of the loss that it would suffer if the required notice is not provided.

FEES IN ADVANCE

The School offers the ability for parents to pay a minimum of three years and up to six years fees in advance based on the current fee schedule (subject to various conditions). Please contact the Finance Office regarding any queries related to tuition in advance.

WITHDRAWAL OF STUDENTS

Parents must give at least one full term's notice in writing to the School to terminate the Student's enrolment. Notice must be received and acknowledged by the School no later than the last day of the preceding term. For example, where it is intended that a Student's enrolment will terminate at the end of Term 4, written notice must have been received at the School and acknowledged as having been received no later than the last day of Term 3. In the absence of the required notice, a term's fees (tuition and boarding, where applicable) are immediately payable. These amounts are a genuine pre-estimate by the School of the loss that it would suffer if the required notice is not provided.
