1. Source of Obligation

a) New South Wales Education Standards Authority

Section B8.2 Schools must provide for student welfare of the *NSW Registered and Accredited Individual Non-government Schools Manual* mandates:

Schools must have policies and procedures that provide for student welfare and ensure a safe and supportive environment.

A safe environment for students is one where the risk of harm is minimised and students feel secure.

Sources of harm may include but are not limited to:

- *dangers in the built environment, involving architecture and construction, lighting, space, facilities and safety plans*
- *violence, physical threats, verbal abuse, threatening gestures, sexual harassment and racial vilification.*

Schools must have and implement policies and procedures for:

- *behaviour management*
- *anti-bullying, including how to identify and respond to allegations of bullying.*

The school must make the anti-bullying policy publicly available.

2. Our Policy

The School is committed to ensuring that each student can feel safe and secure at school. Bullying by students will not be tolerated under any circumstances.

Counselling and/or disciplinary action will be taken in any case where a student is found, upon reporting and investigation, to have bullied another student.

3. Procedures

a) What is Bullying?

Bullying is repeated verbal, physical, social or psychological behaviour that is harmful and involves the misuse of power by an individual or group towards one or more persons. Cyber bullying refers to bullying through information and communication technologies (discussed in more detail below).

There are many types of bullying, which may include any one or more of the following:

- a) physical: punching, hitting, tripping, kicking.
- b) verbal: teasing, using offensive names, being abusive, constant criticism, inappropriate comments about a person's appearance, belittling remarks;
- c) non-verbal: writing offensive notes, rude gestures, graffiti;
- d) psychological: spreading rumours, hiding or damaging possessions, inappropriate use of information technology, unauthorised use of camera phones
- e) emotional: deliberately excluding others from a group, refusing to sit next to someone, overtly encouraging other people to actively ignore or avoid a person;
- f) sexual harassment: which involves behaviours such as unwanted touching, inappropriate joking, taunting or teasing of a sexual nature; and/or exposure.

b) What Is Cyber Bullying?

Cyber bullying is the carrying on of some of the above forms of bullying (whether while at school or not) by use of electronic technologies such as email, websites, Facebook, online chatrooms, Twitter, blogs, Snapchat, Instagram etc. Cyber bullying can include:

- a) sending hateful or threatening comments or pictures via MSN, mobile phone, the internet or social networking sites;
- b) using technology to socially exclude someone;
- c) posting rude, explicit or embarrassing pictures of someone on the internet;
- d) stealing someone's identity in order to harm them in some way;
- e) putting pressure on a person to send revealing or compromising pictures of themselves;
- f) covertly filming, recording or taking a picture of someone and posting the images on the internet to cause hurt;
- g) 'outing' and disseminating confidential information about someone;
- h) flaming and multi-messaging to clog up a person's electronic system and to cause them distress;
- i) using aliases and pseudonyms in chat rooms and on social networking sites in order to harass and upset; and
- j) engaging in cyber stalking and the invading a person's privacy

Sexting can be another type of cyber bullying. Sexting involves taking sexually explicit photos and making them available for others to see via a mobile phone or the internet. Sending explicit images of anyone including yourself is a crime if you are under the age of 18 years. If the person in the picture is under the age of 16 years, it can be a very serious crime resulting in charges of paedophilia.

c) What Is Not Bullying

Behaviours that do not constitute bullying include:

- a) mutual arguments and disagreements (where there is no power imbalance);
- b) not liking someone or a single act of social rejection;
- c) one-off acts of meanness or spite; or
- d) isolated incidents of aggression or intimidation.

However, these conflicts still need to be addressed and resolved.

d) The School's Anti-Bullying Strategies

The methods used by the school to discourage bullying will vary from time to time and will depend on the needs of the School. The measures that are currently in place to discourage bullying, include but are not limited to:

- a) emphasis is on preventative and early intervention including wellbeing programs;
- b) classroom teachers will clarify with their students the School's policy on bullying at the start of the school year;
- c) this policy being available in the School portal and printed in students' diaries;
- d) undertaking year-level surveys (Years 3 to 12) of student well-being and bullying behaviour;
- e) undertaking surveys on boarder well-being;
- f) including open discussions on anti-bullying strategies in the curriculum;
- g) ensuring effective pastoral support for students through the appointment of teachers, housemasters, tutors, year level coordinators, boarding house supervisors and other staff;
- h) encouraging students to report incidents and assist them in adopting strategies to deal with bullying;
- i) employing School Counsellors who have specialist skills in helping both victims of bullying and identified bullies;
- j) training staff to detect bullying behaviour;
- k) employing a suitable range of sanctions (including suspension and expulsion) to deal with and discourage bullies;
- l) use of School Diaries for recording of instances of bullying and measures to address, display of Netiquette Agreement and Essential Agreement (PYP) material,
- m) reviewing this policy from time to time to ensure that it remains effective and relevant

This may include physical assault, threats of violence, problematic sexual behaviour or child-to-child sexual abuse. Refer to the School's *Child Protection – Responding and Reporting Policy* for more information.
