LATE PAYMENT OF FEES

Fees are due and payable as and when instalments fall due. The Council appreciates that the great majority of parents comply with these payment terms.

A student will not be able to commence a new term whilst fees remain outstanding, and students will not be permitted to participate in any discretionary activity offered by the School.

A default charge of \$250 per term will be applied to fees not paid within 21 days of rendering the account. This amount reflects the administrative and financial costs of collecting outstanding Fees and Charges and represents a genuine pre-estimate by the School of the loss that it would suffer if the required notice is not provided.

WITHDRAWAL OF STUDENTS

Parents must give at least one full term's notice in writing to the School to terminate the student's enrolment. Notice must be received and acknowledged by the School no later than the last day of the preceding term. For example, where it is intended that a student's enrolment will terminate at the end of Term 4, written notice must have been received at the School and acknowledged as having been received no later than the last day of Term 3. In the absence of the required notice, a term's fees (tuition and boarding, where applicable) are immediately payable. These amounts are a genuine pre-estimate by the School of the loss that it would suffer if the required notice is not provided.

KEY POLICIES, TERMS OF ENROLMENT AND PARENTAL CODE OF CONDUCT

The School's Key Policies, Terms of Enrolment and Parental Code of Conduct are available on the School's website. Please take the time to familiarise yourself with these documents through the following link: <https://www.kings.edu.au/the-kings-school-policies/>
